Thank you very much for your message, Mr. Kurtz, and thank you for speaking to me over the phone today.

I will advise the Fire Prevention and Building Safety Commission at its next meeting that you, on behalf of Lake Station Community Schools, have withdrawn your petition for formal administrative review before the Commission's administrative law judge of the civil penalty orders issued to Hamilton Elementary School (3973112019) and Edison Junior Senior High School (3965223029), in lieu of pursuing "Informal Review" with the Indiana Department of Homeland Security (IDHS).

No further action will be required of the Commission, your school corporation, or IDHS in regards to the petitions for administrative review.

Respectfully,

Douglas J. Boyle | Director – Fire Prevention and Building Safety Commission

Good afternoon Mr. Boyle:

This will confirm it was and is the intent of the Lake Station Community Schools to

rescind and withdraw our request for a formal administrative review (by Mr. James Hoefflicker) as our code enforcement action items were taken into an “Informal Review” and compliance action on both Hamilton Elementary School SC3973 & Edison Junior Senior High School SC3965.

Thank you.

Regards,

Eric Kurtz, *Chief Financial Officer*
