Dean:

The Monroe County / City of Bloomington Building Department is requesting to be placed on the agenda for the April meeting of the Commission, at which time we request certification as a **Tier One Local Plan Review Unit** as allowed and defined in Senate Enrolled Act # 324.

Should this not be possible, please inform me as soon as you are able.

It is the intent of the Monroe County / City of Bloomington Building Department to facilitate the development of projects within our jurisdiction and to provide service to the public as the legislature intended through this rule. If you have any questions, or are in need of additional information, please feel free to email me, or contact me at the phone number above.

Respectfully,
