Area Information:

Sugar Ridge Fish & Wildlife Area (FWA) provides quality hunting and outdoor recreational opportunities. The property is made up of six separate areas located in Pike and Warrick counties, totaling approximately 8,900 acres. The strip-mined land now features around 100 pits and lakes, along with rows of overburden from the mining operation. The land that has not been mined remains mostly rough and rolling forest.

The first five days of spring turkey season at Sugar Ridge are by draw only. When applying to the 2024 Sugar Ridge FWA Wild Turkey hunt, you may choose from two hunt periods:

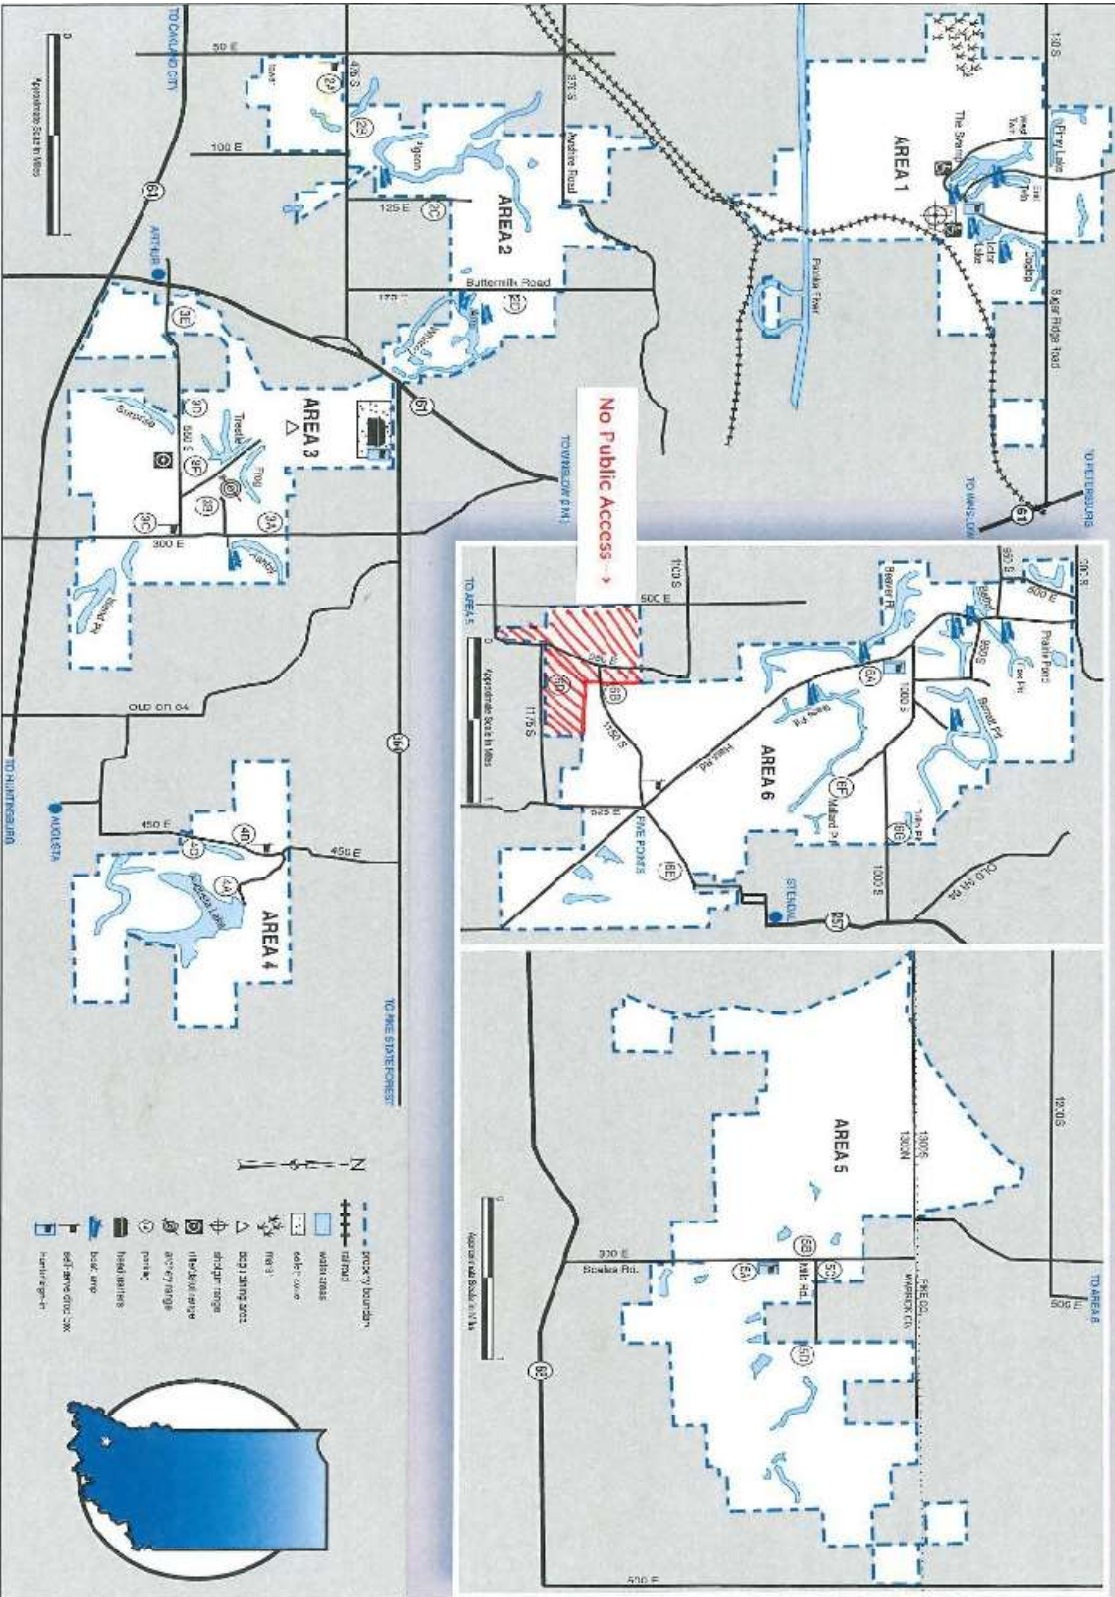

- Wednesday – Friday: April 24, 2024 – April 26, 2024
- Saturday – Sunday: April 27, 2024 – April 28, 2024

The property will draw 15 hunters for each hunt period. Hunters may choose from any of the six areas to hunt; areas are not assigned. If you are successful in drawing for a hunt at Sugar Ridge FWA, you must check in at the property office (located at 2310 E State Road 364, Winslow, IN 47598) between 4:30 a.m. ET (3:30 a.m. CT) and 5:30 a.m. ET (4:30 a.m. CT) on the first day of your hunt to claim your reservation. If you do not claim your reservation by 5:30 a.m. ET (4:30 a.m. CT) on the first day, your spot will be given to another hunter or forfeited entirely. Once you have claimed your reservation at the property office, you will be given your hunt permit cards and a parking pass. If you are not successful in drawing to hunt at Sugar Ridge, you may still attend the standby drawing held at 5:30 a.m. ET (4:30 a.m. CT) on April 24, 2024, and April 27, 2024. Any reservations left unclaimed will be drawn again and given to the standby crowd.
