Totals	1,214	878	2	276,450	94.7

**These pole trees and volumes estimated through variable plot inventory method using a 10 factor prism. All are located within regeneration openings. These trees are not painted, but all trees within the opening boundaries are part of the sale.*

This is Indiana State Forest Timber Sale Number **6421422**.

The public sale is to be held in the offices of:

Yellowwood State Forest Office, 772 Yellowwood Lake Rd, Nashville, IN 47448
Contact: Forester Phil Jones or Dave Ramey @ 765-342-4026.

The sale has the following conditions:

Cutting and skidding is only allowed from October 1st through March 31st of each calendar year unless otherwise agreed upon in writing by both parties. Logs in the yard may be moved at any time of the year. The Buyer will provide an operational bulldozer on site at all times during active operations. Wet weather may limit hauling. Buyer may be required to provide additional stone if needed. A pre-harvest conference must be attended prior to the start of any logging operations. Grapple skidders are allowed for use on designated skid trails only. Directional felling is required. The buyer should coordinate with the electric company for any trees that could impact power lines. A spotter should stop traffic on Chambers Pike Road when trees are felled that could cause logging debris to fall in the road. Tops and other debris resulting from the harvest operation are to be removed from utility ROW, haul road, and designated skid trails. Logger is required to seed major skid trails and to seed and straw log yards. Marked timber in this tract is located within a State of Indiana generally infested EAB quarantine area. Buyer will only need to establish a compliance agreement with the Indiana Division of Entomology prior to moving any ash timber products into or through the remaining 9-13 non-quarantined Indiana counties or out of the State.

The timber specified in this document is Certified Wood. Indiana State Forests are certified by both the Sustainable Forestry Initiative (SFI) and the Forest Stewardship Council (FSC). Purchasers of State Forest timber may market state forest timber products as certified if they have the appropriate Chain of Custody certificate.

The FSC Certificate Number for Indiana State Forests is SCS-FM/COC-00099N. The FSC claim is "FSC 100%".

The SFI Certificate Number for Indiana State Forests is NSF-SFIS-6L841-S1.

Sealed bid for such property will be received at the office of the Property Manager until the hour
