

## Closeout Map(s)

The LWCF Closeout map is specific to the project area. It **must** contain:

- 1) Official park/site name.
- 2) Location/complete address.
- 3) County, Township, Range, and Section number.
- 4) Latitude/Longitude points of park entrance(s).
- 5) Name of person/agency preparing the map.
- 6) Date.
- 7) LWCF Project Number.
  - a. Past LWCF Project Numbers (if known).
- 8) Total acreage of existing park.
- 9) ASLO signatory with date - DNR will add.
  
- 10) North arrow.
- 11) Map Legend.
- 12) Map Scale.
  
- 13) LWCF project boundary.
- 14) Identify all acquired properties (if applicable).
  - a. Delineate newly encumbered from previously encumbered acres.
- 15) Type and Location of Fund assisted facilities.
  
- 16) ) Identify any existing facilities that were not included in the LWCF encumbrance.
  - a. Structures.
  - b. Park Roads.
  - c. Parking Lots.
  - d. Recreation activity areas (ball fields, picnic areas, etc.).
  - e. Enclosed structures/buildings.

Avoid use of color as the only means to delineate areas. Translucent shaded or hashed overlays are acceptable. Dashed lines for border delineation are acceptable.
