State Seeks Top Notch Hoosier Employers for Governor's Recognition

INDIANAPOLIS (Nov. 9, 2018) – The Indiana Department of Labor, in partner with the Indiana Chamber of Commerce and the Central Indiana Chapter of the American Society of Safety Engineers, is accepting applications for the 2019 Governor's Workplace Safety Awards and Everyday Safety Hero Awards. Applications must be received no later than **5 p.m. (EST) Jan. 11, 2018**.

These annual awards recognize Indiana employers and employees who proactively work together to advance the health, safety and prosperity of Hoosiers in the workplace. Hoosier workplaces of all types and sizes, including businesses, municipalities, unions, schools, service organizations and nonprofits, are eligible for nomination. Awards are presented to organizations demonstrating exceptional workplace safety and health programs, as well as processes or techniques relative to each organization's size.

The Everyday Safety Hero Award provides employers an opportunity to nominate and recognize an employee who has acted as a safety champion in protecting fellow workers through leadership, innovation, teamwork promotion, or hazard identification and correction.
