Guide to the Offer in Compromise Program

What is an Offer in Compromise?

- An Offer in Compromise (OIC) is an agreement between you, the customer, and DOR that settles a tax liability for payment of less than the full amount owed. This program is handled by TAO only.
- DOR will most often accept an OIC when it is unlikely that the tax liability can be collected in full, and the amount offered reasonably reflects collection potential.
- To be considered, you must make an appropriate offer based on what DOR considers your true ability to pay.
- Acceptance of an adequate offer will also result in creating a fresh start for the customer, with the expectation all future filings and payments being made when due.
- The success of the OIC program relies on a customer to make reasonable compromise proposals consistent with their ability to pay, and DOR's TAO to make prompt and reasonable decisions.
- The ultimate goal is a compromise that suits the best interest of both the customer and DOR.
- Customers are expected to provide required documentation to verify their ability to pay.
- Submitting an application does not ensure that DOR will accept your offer. It begins a process of evaluation and verification by TAO, taking into consideration any special circumstances that might affect your ability to pay.
- This booklet will lead you through a series of steps to help you calculate an appropriate offer based on your assets, income, expenses and future earning potential.

What is the Statutory Basis for an Offer in Compromise?

- The statutory authority is in Indiana Code 6-8.1-3-17 (a):
“Before an original tax appeal is filed with the tax court under [IC 33-26](#), the Commissioner may settle any tax liability dispute if a substantial doubt exists as to:
 - (1) The constitutionality of the tax under the Constitution of the State of Indiana;
 - (2) The right to impose the tax;
 - (3) The correct amount of tax due;
 - (4) The collectability of the tax; or
 - (5) Whether the taxpayer is a resident or nonresident of Indiana.

What is Unique About an OIC?

- The OIC conclusively settles final tax liabilities or can be used to settle an appeal.
- Neither you or the Commissioner may reopen the OIC, unless it is determined there is falsification or concealment of assets by you or mutual mistake of a material fact or if, in the opinion of the Commissioner, justice requires it.
- The OIC is distinct and separate from an appeal of a proposed tax assessment or denial of a claim for refund of taxes.
- The decision to reject an offer in compromise is not subject to review.

- The Commissioner may adopt rules regarding the procedures to be followed for the submission and consideration of offers in compromise.

What are the Types of OIC?

- There are three types of OIC. It is important to pick the type of offer that best matches your situation.

Note: When the customer agrees with the liability, the type of OIC is then determined on the potential ability to pay the liability in full. If the customer cannot pay the liability in full, then he or she should submit a **Doubt as to Collectability Offer**. However, if potential exists to pay their liability in full, but the collection of the liability would create an economic hardship, then they should submit an **Economic Hardship Offer**.

1. **Doubt as to Collectability**

- This type of OIC means that doubt exists the taxpayer could ever pay the full amount of tax liability owed. TAO will consider this type of OIC when the customer is unable to pay the taxes in full either by liquidating assets or through an installment agreement that would accomplish repayment within a reasonable timeframe. When applying for this type of OIC, the customer must also complete and submit one of the following forms:
 - Collection Information Statement for Businesses, Form CIS-B
 - Collection Information Statement for Wage Earners and Self-Employed Individuals, Form CIS-I

2. **Doubt as to Liability**

- This type of OIC means a legitimate doubt exists the customer owes part or all of the assessed tax liability. When applying for this type of OIC, the customer must also include a computation of the claimed corrected tax due, an explanation of how the taxpayer arrived at the amount, and any verifying documentation.
- If you have a legitimate doubt that you owe part or all of the tax debt, complete and submit Form TAO-PRP, Request for Assistance.
- Any doubt you owe part or all of the tax debt must be resolved before sending in an offer based on your ability to pay.
- Form TAO-PRP is not included as part of this package. To request Form TAO-PRP, visit www.in.gov/dor/contact-us/tao or call (317) 232-4692.

3. **Economic Hardship**

- This type of OIC means the customer does not have any doubt the assessed amount is correct, and there is potential to collect the full amount of the tax owed.
- This is different from the Doubt as to Collectability OIC because an exceptional circumstance exists that would create an economic hardship if the customer had to repay the total amount owed.
- To be eligible for an OIC on this basis, a taxpayer must demonstrate that collection of the tax would create an economic hardship.
- When applying for this type of OIC, the customer must also complete one of the following forms:

- Collection Information Statement for Businesses, Form CIS-B
- Collection Information Statement for Wage Earners and Self-Employed Individuals, Form CIS-I
- The customer must also submit:
 - A written narrative explaining the customer’s special circumstances and why paying the tax liability in full would create an economic hardship; and
 - Documentation that supports a claim of economic hardship if the taxes were collected in full.

What are Some of the Things an OIC Can Do For You?

- Settle all or any portion of a final tax liability, plus interest and penalties, for less than the current outstanding amount.
- Allow acceptance of a lump sum payment to satisfy your liabilities for less than your current outstanding balance.
- Satisfy the liability for less than your current balance with a short-term payment plan.

What are Some of the Things an OIC Cannot Do For You?

- Cancel or discharge your outstanding liabilities with no payment.
- Put your tax obligation on hold indefinitely.
- Intervene when a legal action has been filed, such as a wage garnishment, bank account levy, collection suit, or court-ordered appearance.

Are There Limitations on an OIC Request?

The short answer is “yes.” An OIC request:

- Is not an appeal;
- Does not extend the time to file an appeal to DOR or to the Indiana courts; and
- It does not result in you being considered in “good standing” for purposes of renewing a professional license.

Am I Eligible?

- There are several basic requirements to qualify for an OIC. Please review the following statements. To meet the basic requirements, you must be able to answer “true” to each of the following statements for DOR to consider your offer request:
 - The tax liability is final or the proposed agreement is made to settle an appeal in progress.
 - You have filed all required returns.
 - Note: If you did not file a return for a prior period because you believed you were not legally required to file, you must submit a detailed explanation of circumstances with the offer.
 - You will file and pay all required returns when due while the offer is pending and in the future.
 - You are not currently the subject of open bankruptcy proceeding.
 - All estimated payments (if required) for the current year have been paid to date.
 - You have not been granted an OIC within the past five years.

- If you answered “false” to any of these statements, you are not eligible to submit an offer. Once you meet all the above conditions, you may submit an offer.

Do I Need to Have Someone Represent Me in the Process?

- DOR does not require you to have representation. The OIC Program is available to all customers, with or without representation, who meet the eligibility requirements.
- DOR representatives are available to assist with forms and information needed when submitting an OIC Agreement.

What is a “Collection Information Statement,” and When Do I Need to Complete it?

- A Collection Information Statement is one of two forms that gathers information related to your assets, expenses and the calculation of the minimum offer amount.
- If you are requesting either a Doubt as to Collectability or Economic Hardship offer, you must also complete Form CIS-I, Collection Information Statement for Wage Earners and Self-Employed or Form CIS-B, Collection Information Statement for Businesses.
- The Collection Information Statement must be signed with appropriate identification numbers and all sections completed.
 - **Note:** Items that do not apply to you should be noted with “N/A.”
- If your basis for your offer is Doubt as to Liability, the Collection Information Statement is not needed. Instead you must include a computation of the claimed corrected tax due, an explanation of how you arrived at the amount and any verifying documentation submitted with Form TAO-PRP.

What Happens When My Spouse and I Owe Joint and Separate Tax Debts?

- If you and your spouse have joint tax debt(s) and you and/or your spouse are also responsible for separate tax debt(s), you will each need to send in a separate Form FS-OIC. You will complete one Form FS-OIC for yourself listing all your joint and any separate tax debts and your spouse will complete one Form FS-OIC listing all of his or her joint tax debt(s) plus any separate tax debt(s), for a total of two Form FS-OIC.
- If you and your spouse or ex-spouse have a joint tax debt and your spouse or ex-spouse does not want to be part of the offer, you on your own may submit Form FS-OIC to compromise your responsibility for the joint tax debt.

How Do I File an OIC If I Owe Individual and Business Tax Debt?

- If you have individual and business tax debt that you wish to compromise, you will need to send in two Form FS-OICs. Complete one Form FS-OIC for your individual tax debts and one Form FS-OIC for your business tax debts.
 - **Note:** A business is defined as a corporation, partnership or any business that is operated as other than a sole-proprietorship. An individual's share of a partnership debt will not be compromised. The partnership must submit its own offer based on the partnership's and partners' ability to pay.

How are Trust Fund Taxes Treated in an OIC?

- If your business owes trust fund taxes, responsible individuals may be held liable for the trust fund portion of the tax.

- Trust fund taxes are the money withheld from an employee's wages, such as income tax, retail sales tax, food and beverage, county innkeepers, etc.

How Do I Know How Much to Offer?

- Generally, an amount offered will be considered reasonable when it equals or exceeds the minimum offer amount calculated on the Collection Information Statements forms (Section 8 on CIS-I or Section 5 on CIS-B).
- The minimum offer amount is defined as the net equity of your assets, plus the amount DOR projects could be collected based on your future income.
- An offer amount must exceed zero.
- Your offer will be rejected if DOR's financial analysis indicates you can pay a greater amount than offered or you can pay in full, either immediately or through an installment agreement.
- Generally, DOR will not accept an offer if you can pay your tax debt in full or through an installment agreement and/or equity in assets.
- **Note:** Adjustments or exclusions, such as allowance of \$1,000 to a bank balance or \$3,450 against the value of a car, are only applied after it is determined that you cannot pay your tax debt in full.

What is a "Minimum Offer Amount"?

- A "Minimum Offer Amount" is the amount you propose to pay in settlement of your balance due to DOR.
- The Minimum Offer Amount is less than the full amount owed and is generally based on your ability to pay, with consideration to your assets and expenses.
- The amount of time you propose to repay the offered amount also has an impact on the Minimum Offer Amount. The shorter amount of time you propose to repay your offered amount, the lower the offered amount can be.
- Your Minimum Offer Amount is calculated on Forms CIS-I (Section 8) or CIS-B (Section 5) and included in the Form FS-OIC Offer in Compromise Agreement.

Does Offering the Minimum Offer Amount Guarantee Acceptance of My Offer?

- No. DOR will use your financial statements to assist in performing an audit of your financial condition as a part of the review process.

Will Offers for Less Than the Minimum Offer Amount be Considered?

- Possibly. It depends on your specific circumstances. When requesting an OIC, the most important thing to do is to provide truthful and complete information to DOR's TAO. It is also important to respond to any follow-up questions in a timely manner.
- DOR is committed to work with any customer who presents a reasonable OIC that is factually supported.

What is Taken into Consideration When My Offer is Analyzed?

DOR's TAO takes into consideration the following information when analyzing an offer:

- Total Assets.

- Total monthly income.
- Total monthly expenses.
- Overall percentage of income that is paid to expenses.
- Overall percentage of income that remains after paying expenses.
- The number of household members.
- The average age of customer(s) that owe the tax debt.
- If any household member has medical conditions.
- If there is a current garnishment order in effect.
- If somebody that does not owe the tax is paying the debt.
- If the customer(s) owing the tax has Social Security income only.
- If the customer(s) owing the tax debt has Social Security Disability income only.
- If the customer(s) owing the tax debt is at or below the federal poverty level.
- The amount of fees and/or damages outstanding on the state tax debt.
- The age of the tax debt.
- If the OIC will be paid in full by one payment within 30 – 60 days.
- The tax type(s) that is owed.
- The reason for the tax bill(s) owed.

May I Apply for an OIC if I Have No Funds to Offer?

- No. DOR will not accept a zero-dollar offer.
- The Form FS-OIC, CIS-B and CIS-I must demonstrate that you have the ability to either pay in full or satisfy the OIC through an agreeable monthly payment plan. Otherwise, your case may be transferred to the Claim for Hardship program.
- Your offer must represent the most we can expect to collect over a reasonable period of time.

Does DOR Have to Accept My Offer?

- No. The law provides a taxpayer the opportunity to submit an OIC to DOR's TAO, but in no way requires the offer to be accepted.
- The offer will be declined in any instance where TAO determines that acceptance is not in the best interest of the state.

What are Some Reasons My Offer Might be Rejected?

- DOR expects an offer to be based on factual information recorded in the documents.
- Here are examples of reasons why your offered amount might be rejected or returned:
 1. **Excess Expenses** - TAO uses national collection financial standards produced by the IRS to determine maximum allowable amounts for claimed expenses. Expenses that exceed these standards will be adjusted to the maximum allowed.
 2. **Unnecessary Expenses** - TAO reviews all expenses to determine if they are "necessary," using the following conditions:
 - Necessary living expenses include, but are not limited to:
 - Rent or mortgage payments
 - Heat or air conditioning

- Transportation necessary for work or required travel
- Medical expenses
- Reasonable food expenses
- Utilities (electric, telephone)
- Living expenses DOR considers **unnecessary** include, but are not limited to:
 - Private school tuition or college expenses
 - Charitable contributions or voluntary retirement contributions
 - Payments on credit cards
 - Payments for cable or similar bills
 - Vehicle expenses for multiple cars not necessary to meet work transportation needs
 - Expenses for items such as boats, recreational vehicles, etc.
 - Significant dining out expenses
- **Insufficient Documentation** - You must prove most items on the financial statement.
- Your offer will be declined if you do not provide sufficient documentation to support income, expenses, and other items claimed.
- **Value of Property or Other Assets** - TAO will assess the value of all property and assets you own based on information readily available to DOR.
 - Your offer may be rejected if DOR determines the value of the property or assets are greater than shown on your financial statement.
- **Omitted Items** - Your offer may be rejected if you omit income, assets or other items of significance from your financial statement.
- **Trust Taxes** - Trust Taxes, such as Sales, County Innkeeper's, and Withholding taxes, are taxes collected or withheld by a taxpayer in "trust" for the state of Indiana.
 - Your offer may be rejected if your debt is based on taxes collected from others, but not remitted to DOR as required by law.
- **History of Non-Compliance** - A history of regular or willful noncompliance with Indiana's state tax laws may be grounds for rejection of your offer.

What is a State Tax Lien and Will You Release it After You Accept my Offer?

- A lien is a legal claim against all your current and future property. When you don't pay your bill for taxes due, a lien is created by law and attaches to your property.
- A state tax warrant may be filed at the clerk's office of the county that DOR has on file for your address during the normal collection process prior to requesting an offer in compromise
- We will release Indiana state tax liens once a debt is considered to be paid in full. If an OIC is accepted, the paid in full amount will be the amount agreed upon.

Can I Make an Offer if My Account has Been Referred to Special Investigations Unit or I Have a Restitution Order?

- An offer cannot be accepted for processing if DOR has referred your case, or cases, involving all of the liabilities identified in the offer to the Special Investigations Unit.

- In addition, DOR cannot compromise any restitution amount ordered by a court or a tax debt that has been reduced to judgment.

How Does Bankruptcy, Open Audit or Innocent Spouse Claim affect my OIC?

- If you or your business is currently in an open bankruptcy proceeding, you are not eligible to apply for an offer. Any resolution of your outstanding tax debts generally must take place within the context of your bankruptcy proceeding.
- If you are not sure of your bankruptcy status, contact the Bankruptcy team at (317) 232-2289. Be prepared to provide your bankruptcy case number and/or Taxpayer Identification Number.
- **If you currently have any open audit or outstanding innocent spouse claim, wait for those issues to be resolved before you submit an offer.**

How do I Submit an Offer?

- Review the Form FS-OIC Instructions - Offer in Compromise Agreement.
- Complete Form FS-OIC, Offer in Compromise Agreement, and the appropriate Collection Information Statement, forms CIS-B or CIS-I.
- Provide all required documents. For information on required documents, see the question “What are the types of OIC?”
- Your offer will be returned to you if the required forms are not properly submitted.
- Your offer(s) cannot be considered without the completed and signed FS-OIC, CIS-I and CIS-B.

What Happens After I Submit My Offer?

- First, TAO will review the OIC Agreement for completeness within 15 days of receipt. If the OIC Agreement is complete, TAO will issue an acknowledgment letter advising you the agreement is being considered and begin the process of evaluating your proposed agreement.
- If the OIC Agreement is not complete or additional information is needed, TAO will promptly request the information from you. The additional requested information needs to be received by TAO within 30 days from the date of the request.
- Penalties and interest will continue to accrue during consideration of your offer.
- After you file your offer, you must continue to timely file and pay all required tax returns, estimated tax payments and state tax payments. Failure to meet your filing and payment responsibilities during consideration of your offer will result in your offer being rejected.
- If your offer is accepted, you must continue to stay current with all tax filing and payment obligations through the fifth year after your offer is accepted (including any extensions).

What do I Need to do While My Offer is Pending Review?

- You must file and pay all required returns in a timely manner.

How Long Will it Take to Get a Decision on My OIC?

- TAO strives to accept or deny an offer within 60 days of sending the acknowledgment

letter. If your account is complex or additional information is required, it may take up to 90 days.

My OIC Has Been Accepted by the IRS. Will Indiana Automatically Approve My Offer?

- No. TAO will evaluate your offer separately.

Will Collections Effort Stop After I Submit an Offer?

- Not necessarily. There are certain circumstances when TAO will suspend collection activities while we consider your offer.
- DOR may levy your assets up to the time the Taxpayer Advocate Director and TAO accepts your case and assigns the case to a DOR Taxpayer Advocate Specialist. In addition, DOR may keep any proceeds received from the levy. If your assets are levied after your offer is submitted and pending evaluation, immediately contact DOR's TAO.
- After an offer is determined to be complete and submitted for processing, we will generally not act to initiate collection of the tax liability while we consider and evaluate your offer.
- Additionally, automated collection actions, such as vendor payment, refunds, or other types of offsets, may continue.
- It is important to note, DOR will not suspend collection if we determine that you submitted an offer to delay collection or cause a delay, which will jeopardize our ability to collect the tax.

May I Apply Prior Payments to the Offered Amount?

- We cannot apply prior payments toward the offered amount.
- However, we consider prior payments and the offered amount compared to the total liability when evaluating your offer.

What are My Payment Options on the Offered Amount?

- DOR allows for two types of repayment options:
 - **Payment Option 1:** Pay the offer in full within 30-60 days.
 - **Payment Option 2:** Pay the amount in full over a period of installments within a reasonable amount of time, generally not to exceed 72 months. TAO will consider longer monthly payments on a case by case request. TAO's decision on the amount of time allowed for each payment plan is considered final.
- Generally, payments made on an offer will not be returned. You, however, may make a down-payment with your application. If your offer is accepted, your payments made during the offer process, including any money designated as a down-payment, will be applied to your offer amount.
- **Note:** There is no appeal. Total payments must equal the total offer amount. You may not pay your offer amount with an expected or current tax refund, money already paid, funds attached by any collection action or anticipated benefits from a capital or net operating loss. If you are planning to use your retirement savings from an IRA or 401k plan, you may have future tax debt as a result.

What Will Happen if my Offer is Accepted?

- TAO will send a notification letter advising you that your OIC agreement offer has been accepted. The letter will include the terms of the agreement and any additional instructions related to the payment option you selected.

What Will Happen if My Offer is Declined?

- TAO will send you a notification letter explaining to you the reason(s) why the offer was denied. You should contact TAO immediately to arrange a suitable repayment plan through a DOR-approved Installment Payment Agreement.
- If you currently have an approved installment agreement, you will not be required to make your payment plan payment after your case has been accepted and while your offer is being considered. If your offer is not accepted and you have not incurred any additional tax debt, your payment plan with DOR Payment Services will be reinstated.

Will DOR Continue to Offset Refunds?

- Yes. DOR will keep any refunds or offsets while the tax debt is open - even if there is an approved payment plan. Refunds and offsets are credited to your balance due as DOR considers them to be payments you would otherwise be required to make.
- The refund applied is not considered a payment toward the OIC.

Completing the Application Package

Step 1 – Gather Your Information

- To calculate an offer amount, you will need to gather information about your financial situation, including cash, investments, available credit, assets, income and debt.
- You will also need to gather information about your average household's gross monthly income and expenses. The entire household includes all those in addition to yourself who contribute money to pay expenses relating to the household such as, rent, utilities, insurance, groceries, etc. This is necessary for DOR to accurately evaluate your offer.
- In general, DOR will not consider expenses for tuition for private schools, college expenses, charitable contributions and other unsecured debt payments as part of the expense calculation.

Step 2 – Fill out Form CIS-I, Collection Information Statement for Wage Earners and Self-Employed Individuals

- Fill out CIS-I if you are an individual wage earner and operate or operated as a sole proprietor, or are submitting an offer on behalf of a deceased individual.
- If you are married but living separately from your spouse then you each must submit the CIS-I and FS-OIC. This will be used to calculate an appropriate offer amount based on your assets, income, expenses and future earning potential.
- You will have the opportunity to provide a written explanation of any special circumstances that affect your financial situation.

Step 3 - Fill out Form CIS-B, Collection Information Statement for Businesses

- Fill out CIS-B if the business is a Corporation, Partnership, LLC classified as a corporation, single member LLC taxed as a corporation or other multi-owner/ multi-member LLC.
- This will be used to calculate an appropriate offer amount based on the business assets, income, expenses and future earning potential.
- If the business has assets that are used to produce income (for example, a tow truck used in the business for towing vehicles), the business may be allowed to exclude equity in these assets.

Step 4 – Attach Required Documentation

- You will need to attach supporting documentation with Form(s) CIS-I and CIS-B. A list of the documents required will be found at the end of each form.
- Include copies of all required attachments. Do not send original documents.
- Include a complete copy of any tax return filed within 60 days prior to this offer submission.
- Attach Form POA-1, Power of Attorney, if you would like your attorney, accountant, or other party to represent you and you do not have a current form on file with DOR.
- Attach a copy of an IRS OIC submitted and/or the IRS OIC acceptance letter with a copy of all other information relating to your OIC with the IRS.
- Copy of any other information you have regarding a different type of IRS arrangements (if applicable).

Step 5 – Fill out Form FS-OIC, Offer in Compromise

- Fill out Form FS-OIC. The Form FS-OIC identifies the tax years and type of tax you would like to compromise. It also identifies your offer amount and the payment terms.
- If you choose to include an initial payment, you may include personal check, cashier's check or money order for your initial payment. Generally, initial payments will not be returned but will be applied to your tax debt.
- Make your payment payable to the Indiana Department of Revenue. All payments must be made in U.S. dollars.

Step 6 – Mail the application package

- Make a copy of your application package and keep it for your records.
- Mail the completed application package to DOR's TAO at:

I am submitting a written narrative explaining my circumstances.

Explanation of Circumstances (Add additional pages, if needed) – DOR understands that there are unplanned events or special circumstances, such as serious illness, where paying the full amount or the minimum offer amount might impair your ability to provide for yourself and your family. Section 6**Offer Terms**

By submitting this offer, I have read, understand and agree to the following terms and conditions:

Terms, Conditions, and Legal Agreement

a) I request that DOR accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and any additional amounts required by law) as of the date listed on this form. I authorize DOR to amend Section 1 and/or Section 2 if I failed to list any of my assessed tax debt or tax debt assessed before acceptance of my offer. By submitting a joint offer, both signers grant approval to the Indiana Department of Revenue to disclose the existence of any separate liabilities owed.
Terms, Conditions, and Legal Agreement

b) I also authorize DOR to amend Section 1 and/or Section 2 by removing any tax years on which there is currently no outstanding liability. I also understand that if any tax debt that is included in the offer is in dispute in any judicial proceeding it/they will not be included.

DOR will keep my payments, fees, and some refunds.

c) I voluntarily submit the payments made on this offer and understand that they will not be returned even if I withdraw the offer or DOR rejects or returns the offer. DOR will apply my payment in the best interest of the government, choosing which tax years and tax debts to pay off.

d) DOR will keep any refund, including interest, that I might be due for tax periods extending through the calendar year in which DOR accepts my offer. I cannot designate that the refund be applied to estimated tax payments for the following year or the accepted offer amount. If I receive a refund after I submit this offer for any tax period extending through the calendar year in which DOR accepts my offer, I will return the refund within 30 days of notification.

e) I understand that the amount I am offering may not include part or all of an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss.

f) DOR will keep any monies it has collected prior to this offer. DOR may levy up to the time that DOR official signs and acknowledges my offer as pending, which is accepted for processing and DOR may keep any proceeds arising from such a levy.

g) DOR will keep any payments that I make related to this offer. I agree that any funds submitted with this offer will be treated as a payment. I also agree that any funds submitted with periodic payments made after the submission of this offer and prior to the acceptance, rejection, or return of this offer will be treated as payments.

Pending status of an offer and right to appeal

h) Once an authorized DOR official signs this form, my offer is considered pending as of that signature date and it remains pending until the DOR accepts, rejects, returns, or I withdraw my offer. An offer will be considered withdrawn when DOR receives my written notification of withdrawal by personal delivery or certified mail or when I inform DOR of my withdrawal by other means and DOR acknowledges in writing my intent to withdraw the offer.

I must comply with my future tax obligations and understand I remain liable for the full amount of my tax debt until all terms and conditions of this offer have been met.

i) I will comply with all provisions of the State of Indiana tax laws, including requirements to timely file tax returns and timely pay taxes for the five year period beginning with the date of acceptance of this offer and ending through the fifth year, including any extensions to file and pay. I agree to promptly pay any liabilities assessed after acceptance of this offer for tax years ending prior to acceptance of this offer that were not otherwise identified in Section 1 or Section 2 of this agreement. I also understand that during the five year period I cannot request an installment agreement for unpaid taxes incurred before or after the accepted offer. If this is an offer being submitted for joint tax debt, and one of us does not comply with future obligations, only the non-compliant taxpayer will be in default of this agreement. An accepted offer will not be defaulted solely due to the assessment of an individual shared responsibility payment.

Section 6 (Continued) Offer Terms

j) I agree that I will remain liable for the full amount of the tax liability, accrued penalties and interest, until I have met all of the terms and conditions of this offer. Penalty and interest will continue to accrue until all payment terms of the offer have been met. If I file for bankruptcy before the terms and conditions of the offer are met, I agree that DOR may file a claim for the full amount of the tax liability, accrued penalties and interest, and that any claim DOR files in the bankruptcy proceeding will be a tax claim.

k) Once DOR accepts my offer in writing, I have no right to challenge the tax debt(s) in court or by filing a refund claim or refund suit for any liability or period listed in Section 1 or Section 2, even if I default the terms of the accepted offer.

I understand what will happen if I fail to meet the terms of my offer (e.g., default).

l) If I fail to meet any of the terms of this offer, DOR may revoke the satisfaction of tax lien and file a new notice of state tax lien; levy or sue me to collect any amount ranging from one or more more missed payments to the original amount of the tax debt (less payments made) plus penalties and interest that have accrued from the time the underlying tax liability arose. DOR will continue to add interest on the amount DOR determines is due after default.

I agree to waive time limits provided by law

m) To have my offer considered, I agree to the extension of the time limit provided by law to assess my tax debt (statutory period of assessment). I agree that the date by which DOR must assess my tax debt will now be the date by which my debt must currently be assessed plus the period of time my offer is pending plus one additional year if DOR rejects, returns, or terminates my offer or I withdraw it. (Paragraph (j) of this section defines pending and withdrawal.) I understand that I have the right not to waive the statutory period of assessment or to limit the waiver to a certain length or certain periods or issues. I understand, however, that DOR may not consider my offer if I refuse to waive the statutory period of assessment or if I provide only a limited waiver. I also understand that the statutory period for collecting my tax debt will be suspended during the time my offer is pending with DOR, for 30 days after any rejection of my offer by DOR.

I understand the IRS may file a Notice of Federal Tax Lien on my property.

n) DOR may file a Notice of State Tax Lien during consideration of the offer. DOR may file a Notice of State Tax Lien to protect the State's interest on offers that will be paid over time. This tax lien will be released 30 days after the payment terms have been satisfied and the payment has been verified. If the offer is accepted, the tax lien will be released within 30 days of when the payment terms have been satisfied and the payment has been verified.

I am submitting an offer as an individual for a joint liability.

q) I understand if the liability sought to be compromised is the joint and individual liability of myself and my co-obligor(s) and I am submitting this offer to compromise my individual liability only, then if this offer is accepted, it does not release or discharge my co-obligor(s) from liability. The State of Indiana still reserves all rights of collection against the co-obligor(s).
