Re: Announcement of Planned Action

To Whom It May Concern:

I am writing on behalf of BorgWarner PDS (USA) Inc. and BorgWarner Propulsion II LLC (“BorgWarner”) to give you notice that there will be a mass layoff at the BorgWarner Kokomo Morgan Street facility located at 1501 County Road East 200 North in Kokomo, Indiana beginning on October 22, 2023. This mass layoff is expected to be permanent.

All affected employees have been notified of their anticipated separation dates and that their separation from employment will be permanent. Those employees are expected to be separated from employment beginning on October 22, 2023, with all separations accomplished by mid-2024.

Attached is a list of the job positions and number of individuals who will be affected by the mass layoff, along with the anticipated schedule for job losses.

There will not be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of this mass layoff. There is no union representing impacted employees.

This information is based upon the best information available.

If you have any questions or want additional information concerning this matter, please contact Leticia Rabiela, HR Director, at (956) 890-4521.

Sincerely,

A handwritten signature in black ink, appearing to read 'Leticia Rabiela', with a stylized flourish at the end.

Leticia Rabiela
Human Resources Director, BorgWarner
Power Drive Systems
