

## WARN Act Notice of Discontinuance of Operations

To Whom It May Concern:

I am writing to inform you that PPG Industries, Inc. ("PPG") is permanently ceasing operations at its facility located at 3420 Kossuth Street, Lafayette, IN 47905. The facility is expected to close on September 30, 2022, and the affected employees will be severed on that date. Approximately fifty-four (54) hourly and salaried employees will be affected by this closure. None of the affected employees are represented by a union.

Notices of this announcement have been sent to all affected employees at the facility. No affected employees have bumping rights to another PPG location; however, salaried employees will have the opportunity to apply for employment at other PPG facilities in the region, and may be eligible to receive a severance payment based on years of service.

The following is a list of job titles and approximate number of employees in each position title that are expected to be affected by PPG's cessation of operations at the plant:
