Rural Healthcare Grant Details

Intent: To provide employment and training services to individuals that will gain the skills and competencies required to enter middle and high skilled jobs along a career pathway in healthcare occupations in order to address workforce shortages in rural areas.

Eligibility: Unemployed, Underemployed, or an incumbent worker. Participants must be 17 years of age or older and not currently enrolled in secondary school.

Primary Focus: Nursing Assistants, Licensed Practical Nurses, and Registered Nurses. A small number of related healthcare technician occupations may also be served such as Emergency Medical Technicians and Paramedics, Medical Assistants, Phlebotomists, etc.

Region 4 Rural Counties include:

- Some of Benton County (the Fowler area)
- Cass County
- Clinton County
- Fountain County
- Miami County
- Montgomery County
- Tipton County
- Warren County
- White County

The grant does not restrict the provision of grant funded services only to eligible individuals living in the rural service areas listed above. Participant training must support the intent of the grant, which is to alleviate healthcare workforce shortages in healthcare occupations serving rural counties. A number of individuals from Carroll County, Howard County, and Tippecanoe County who are interested in working in a rural county can be considered for funding under this grant.

Supportive Services: 10% of grant funds can be used for supportive services such as transportation assistance, NCLEX fees, physicals/shots, immunizations, scrubs, etc.
