1205.00.00 SUPPLEMENTAL NUTRITIONAL ASSISTANCE PROGRAM (S)

The purpose of the SNAP program is to provide nutrition benefits to supplement the food budget of needy families so they can purchase healthy food and move towards self-sufficiency.

1205.05.00 LEGAL BASIS (S)

The legal basis for SNAP is:

- The Food Stamp Act of 1977
- The Food and Nutrition Act of 2008
- The Omnibus Reconciliation Act of 1981; and
- The Food Security Act of 1965

The United States Department of Agriculture (USDA) is the federal agency which is responsible for administration of SNAP. This agency's Food and Nutrition Service (FNS) provides specific guidance to states concerning the SNAP Program.

1210.00.00 CASH ASSISTANCE (C)

Cash Assistance programs are designed to provide financial assistance to individuals who meet specific program eligibility requirements.

Two federal programs, Temporary Assistance for Needy Families (TANF) and Refugee Cash Assistance (RCA), comprise the Cash Assistance Programs:

- TANF provides financial assistance to dependent children and their parents or relatives who are deprived of financial support and who meet non- financial eligibility criteria.

- RCA provides financial assistance to refugee adults who have resettled in the United States. The purpose of the program is to provide for the effective resettlement of refugees and to assist them to achieve economic self-sufficiency as quickly as possible.

1210.05.00 LEGAL BASIS (C)

The legal basis for the TANF cash assistance program is:

- Title IV-A of the Social Security Act as amended by the Personal Work Opportunity Reconciliation Act (PRWORA) of 1996.
- The Indiana Code (IC) provides authority for operating in Indiana, and
- The Indiana Administrative Code (IAC) contains specific rules about how the program is run in Indiana.

The Administration for Children and Families (ACF) of the Department of Health and Human Services (HHS) is the federal agency responsible for the program.

The legal basis for the RCA program is:

- Title IV of the Immigration and Nationality Act (INA); and
- The Refugee Act of 1980.

1210.10.00 PROGRAM OVERVIEW (C)

TANF cash assistance is funded through the federal TANF Block Grant which requires states to maintain financial support of other programs for low-income families to receive the complete grant amount.

The Refugee Act of 1980 set procedures for the administration of the Refugee Cash Assistance (RCA) program. RCA is funded completely by federal funds.

1210.15.00 ELIGIBILITY CRITERIA (C)

TANF eligibility is based on financial eligibility factors (income, resources) and non-financial requirements (residency, immigration status, etc.), as well as the eligible child criteria noted below:

- A dependent child under age 18 who is a citizen of the United States, or an alien designated by Federal law as a 'qualified immigrant' (see 2402.20.00).
- Living with an eligible relative (as described in Section 3215.05.00) who is unable to provide adequate financial support for the child.

Refugee Cash Assistance (RCA) eligibility is determined based on:

- Refugee status as verified by the United States Citizenship and Immigration Services (USCIS).
