Contract with Liberty Tire IDEM Certified Tire Hauler, Handler, Disposer for Tire Amnesty Event				\$15,000.00	Environmental Public Health	West Nile Mosquito -Borne Virus Prevention: Eliminate tires which are a breeding ground for the WNV mosquito. Rain water or snow melt that collects in tires provides mosquitoes with suitable places to lay eggs. Mosquito species often found in tires, like Culex tarsalis and Culex restuans, can carry West Nile virus. Materials like soil, leaves and grass clippings also collect in tires, and provide food for growing mosquitoes.

Contract with Vigo County Courts	\$385,010.00		Trauma and Injury Prevention	The results of a two year study conducted by the Indiana Behavioral Health Commission reveals that one (1) in (5) people in Indiana experience mental illness of which only forty (40%) receive appropriate treatment. The number of individuals suffering from mental illness is much higher within the criminal justice system. To address the growing number of individuals who suffer from mental illness with the criminal justice system, the Vigo Superior Courts in cooperation with the Vigo County Health Department and Vigo County Public Defender's office are requesting funds to employ three (3) licensed clinical social workers to intervene and connect individuals to services and resources within our community.
Contract with First Tee-Indiana	\$25,000.00		Chronic Disease Prevention	To address chronic diseases caused by obesity by teaching a life long physical activity to all elementary and middle school students in Vigo County. Program is taught by physical education staff in the schools.
Contract with Chances and Services for Youth	\$86,576.50		Trauma and Injury Prevention	Collaborate between the Vigo County School Corporation, Family Service Association Counseling, and Division 2 Court (Family Court). The funding will employ social workers to provide services with the courts (working with children and families going through divorce and custody disputes) and to provide life skills, health and wellness education, therapy and other services in the Vigo County Schools. Funding will be used for staffing, benefits, training, supplies, and overhead.
Inspect2Go Software Package		\$35,000.00	Environmental Public Health	The Inspect2GO Software Package provides out-of-the-box functionality for all requirements requested by Vigo County Health Department Environmental Health Division. The software will improve the agency's efficiency, regulatory compliance, reporting, tracking, permitting, and field inspection capabilities. The system is already fully developed and has been in use for many years by similar agencies nationwide. The system requires no new development and merely requires tailoring of the forms and processes to those of Vigo County Health Department.
