House Rule: Recency Requirements for Horseshoe Indianapolis | This House Rule will supersede IHRC Regulation 71 IAC 7.5-4-1 as it applies specifically to a horse that has not started for a period of two hundred & forty (240) days or more. A horse that has not started in the previous 240 days is not eligible to start at Horseshoe Indianapolis until it has successfully completed a racing soundness examination administered by the Regulatory or Track Veterinarian. If the Regulatory or Track Veterinarian conducting the racing soundness examination finds the results of the examination to be unsatisfactory or inconclusive as to the racing soundness of the horse, the Veterinarian may, at his/her sole discretion, place the horse on the Veterinarian's List & establish conditions for removal from the list including, but not limited to, laboratory testing of biological samples & an official workout of a specified distance completed within a specified minimum time.

ATTENTION TRAINERS: Please make certain you, your owners & your employees have completed the Indiana Horse Racing Commission licensing process for 2023. In addition, please be aware that the entire ownership for your horse(s) racing must be taken care of prior to race day. Indiana does not have a temporary license (as in other jurisdictions) & they have limited hours. IHRC direct dial (317.713.3350).

Thoroughbred trainers are strongly encouraged to send two (2) attendants with each horse that is required to go to the IHRC Test Barn.

Reminder: The HISA riding crop rule applies to all breeds during training. Only specific crops are permitted. To be in compliance with the rules, all crops must have a 360-degree padded foam cylinder or be the ProCush Flat Race Whip by Old Mill Saddlery (this is the ONLY flat crop that is permitted). A list of all conforming crops is available in the Racing Office.

Effective immediately, any applicants for an Exercise Rider license who have not previously been licensed by the IHRC must obtain approval from the Outriders prior to being licensed. Approval may be obtained by appointment only, on Tuesdays & Thursdays between 10:00a.m. & 10:30a.m. Contact John Neal to schedule an appointment.

Trainers: Please make certain your employees are keeping the areas around the manure bins clean throughout the day. If the areas around the bins are not clean, the trainer(s) will be asked to see the Stewards & the Director of Racing. We thank you, in advance, for your cooperation!

The TRPB Technician at Horseshoe Indianapolis is David Hinsley. All Thoroughbreds need to be put on the Tattoo/Microchip List in the Racing Office in order to be scheduled; please make sure your horse/horses are signed up & contact David Hinsley (847.334.2255) about tattooing/microchipping. The cost is \$100.00/Thoroughbred.

David Anthony (815.549.9126) will be tattooing Quarter Horses. Please contact David Anthony about his availability for the AQHA tattoos.

All Grooms & barn personnel must be dressed professionally when bringing horses to the Paddock.

ATTENTION TRAINERS: For horses stabled at HORSESHOE INDIANAPOLIS, any horses wishing to run at another racetrack must contact the Racing Secretary PRIOR to entering elsewhere to receive PERMISSION to do so. Failure to gain PERMISSION prior to entering at another racetrack will prevent that horse from gaining access to HORSESHOE INDIANAPOLIS & that stall will be reassigned to another trainer.

If the LASIX, CHANGE OF EQUIPMENT or the OWNERSHIPISILKS is not correct for your horse(s) contact Valerie Riggs at vriggs@caesars.com immediately so it will be correct on the final program. Emails will be responded to as soon as Valerie is in the office; if you do not get a reply email, please call 866.478.7223 to speak with Valerie.

Text HorseshoeIndy to 206.848.7367 to receive updates from the Racing Office. Trainers, you can enter your horses or check information at https://interactive.trkmgr.com once you have set up an account. Thank you.
