The Partners for Pollution Prevention is an organization comprised of Indiana industries, businesses, nonprofit organizations, and governmental entities that are interested in pollution prevention as well as the financial and environmental benefits P2 projects can bring.

The Partners provide a forum where Indiana businesses can network and exchange ideas about P2 experiences and discuss how P2 fits into current and future IDEM programs. The Partners realize that pollution prevention is the arena where the environment and economics can meet on common ground.

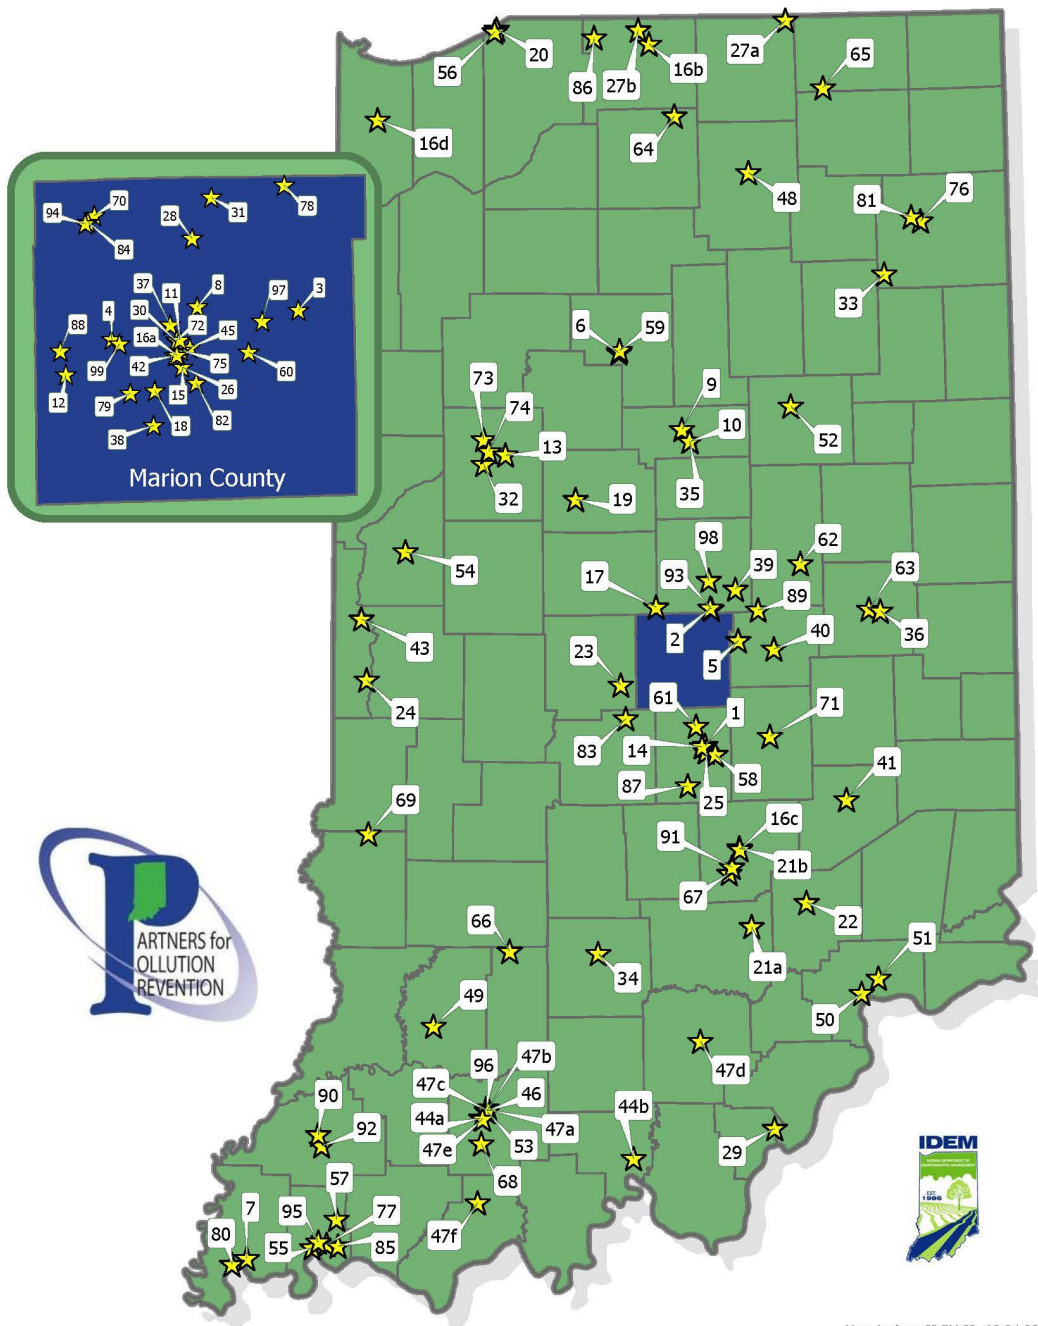

Become a Partner!

Benefits of Membership:

- Network with other Indiana businesses about pollution prevention
- Be recognized as a pollution prevention leader in Indiana
- Hear how other businesses have implemented successful P2 technologies
- Learn how P2 can improve your business practices
- Stay up to date with pollution prevention technologies
- Become more aware of and involved in IDEM's efforts to integrate P2 into various programs

To join, visit the Partners website at <https://www.in.gov/idem/partnerships/partners-for-pollution-prevention/> or email partners@idem.IN.gov

CONFERENCE EVALUATION

Please take time to fill out the conference evaluation TODAY! We have conveniently made it simple to rate each session as it is completed. Access the survey from the QR code and it will stay open until you hit DONE.

Your feedback is so important to help us evaluate this year's conference, while at the same time planning for the next events from the Partners for Pollution Prevention.
