

Indiana Recycling Infrastructure & Economic Study

Presented to

Prepared by

July 2021

TABLE OF CONTENTS

Executive Summary	2
A. Current Waste and Recycling Infrastructure	2
B. Economic Impact on the States Economy	3
C. Recommendations and Conclusions.....	5
Introduction	7
A. Project Partners	9
B. Key Stakeholders	11
C. Methodology.....	12
Part 1. Current Waste and Recycling Infrastructure	14
A. General Locations and Definitions	14
B. Disposal Infrastructure	18
C. Recycling.....	26
Part 2. Economic Impact on the State’s Economy	45
A. Methodology.....	45
B. The Economic Contributions of the Recycling Industry.....	47
C. Economic Impact of Indiana Manufacturers and End Users that Use Recycled Commodities	53
D. Increased Demand Based on Survey Responses	72
E. Tax Revenue Generated from the Recycling Economy	74
F. Comparison to Institute of Scrap Recycling Industries (ISRI)	75
Part 3. Conclusions and Recommendations	77
A. Data Collection.....	77
B. Materials Management Planning.....	81
C. Indianapolis and Marion County.....	83
D. State and Local Funding	87
E. Recycling Collection Programs	89
F. Recycling Processing.....	91
G. Organics & Food Waste	92
H. Grant Programs.....	92
I. Economic Development	93
J. End User Recycling Markets	94
K. Public-Private Partnerships	96
L. Recommendations Summary	97

Appendices

- Appendix A. 2019 Community Recycling Survey
- Appendix B. 2019 Solid Waste District Recycling Survey
- Appendix C. Municipality Survey
- Appendix D. 2019 End User Recycling Survey
- Appendix E. Compost and Wood Grinder Facilities
- Appendix F. NAICS Codes
- Appendix G. Maps in Study

Appendix A

2019 Solid Waste District Recycling Survey

2019 Solid Waste District Recycling Survey

1. Part 1 - General information *

Response

District Name: *

Mailing Address: *

Counties Located in SWMD: *

Contact Name: *

Email address: *

Phone Number: *

Number of Employees: *

Website: *

2. Have your recycling amounts been reported to: *

- AISWMD ReTrac system
- IDEM Solid Waste and Recycling Data Reporting Program
- Recycling Amounts have not been reported

3. SWMD Finances

Response

2019 Expenses (\$)

2019 Revenues (\$)

Sources of Revenue (landfill tipping fee,
property tax, other)

4. Does your SWMD have a community recycling hub/facility that is used to consolidate/bale recyclables?

- Yes
- No

SWMD Programs

5. Part 2 - What types of recycling programs is your SWMD responsible for implementing? (please check all that apply) *

- Drop-off Recycling Program
- Curbside Recycling Collection Programs
- Commercial Recycling Collection Program
- Organics Collection Programs
- Special Waste / Other Collection Programs
- None of the Above

Drop-off Programs your SWMD is responsible for implementing

6. Drop-off Recycling Program Total Statistics

Response

2019 Total Drop-off Recycling Program Tons:

2019 Total Drop-off Recycling Program Cost to District:

7. How many drop-off locations is your SWMD responsible for?

Number of Sites

8. Drop-off Site 1

If you have a similar drop-off location, please fill out one drop-off and add the addresses to the comment box below.

If easier, please email an excel file or list of drop-offs with the following information to your student representative.

General

Response

Location Name

Address

City

Open Hours (i.e. M-F, 24/7, specific days)

Operating Status (supervised or unsupervised)

Collection Method (drive-through, trailers, dumpsters)

Estimated # of Customer Weekly Visits

Hauler (who provides service – SWMD, municipality, private hauler)

Destination

(where do recyclables go first– community recycling hub, transfer station, MRF, out-of-state)

Commingled container at this location?

No

Yes (Specify number of commingled containers at this site)

Source-separated container(s) at this location?

Number of Containers

Cardboard

Paper

Glass

Plastic

Aluminum

Steel

Other (specify with container #)

Comments

9. Do you have a **second** drop-off site? *

- Yes
- No

10. Drop-off Site 2

If you have a similar drop-off location, please fill out one drop-off and add the addresses to the comment box below.
If easier, please email an excel file or list of drop-offs with the following information to your student representative.

General

Response

Location Name

Address

City

Open Hours (i.e. M-F, 24/7, specific days)

Operating Status (supervised or unsupervised)

Collection Method (drive-through, trailers, dumpsters)

Estimated # of Customer Weekly Visits

Hauler (who provides service – SWMD, municipality, private hauler)

Destination

(where do recyclables go first– community recycling hub, transfer station, MRF, out-of-state)

Commingled container at this location?

- No
- Yes (Specify number of commingled containers at this site)

Source-separated container(s) at this location?

Number of Containers

Cardboard

Paper

Glass

Plastic

Aluminum

Steel

Other (specify with container #)

Comments

11. Do you have a **third** drop-off site? *

- Yes
- No

12. Drop-off Site 3

If you have a similar drop-off location, please fill out one drop-off and add the addresses to the comment box below.
If easier, please email an excel file or list of drop-offs with the following information to your student representative.

General

Response

Location Name

Address

City

Open Hours (i.e. M-F, 24/7, specific days)

Operating Status (supervised or unsupervised)

Collection Method (drive-through, trailers, dumpsters)

Estimated # of Customer Weekly Visits

- No
- Yes (Specify number of commingled containers at this site)

Source-separated container(s) at this location?

Number of Containers

Cardboard

Paper

Glass

Plastic

Aluminum

Steel

Other (specify with container #)

Comments

13. Do you have a **fouth** drop-off site? *

- Yes
- No

14. Drop-off Site 4

If you have a similar drop-off location, please fill out one drop-off and add the addresses to the comment box below.
If easier, please email an excel file or list of drop-offs with the following information to your student representative.

General

Response

Location Name

Address

City

Open Hours (i.e. M-F, 24/7, specific days)

Operating Status (supervised or unsupervised)

Collection Method (drive-through, trailers, dumpsters)

Estimated # of Customer Weekly Visits

Hauler (who provides service – SWMD, municipality, private hauler)

Destination

(where do recyclables go first– community recycling hub, transfer station, MRF, out-of-state)

Commingled container at this location?

- No
- Yes (Specify number of commingled containers at this site)

Source-separated container(s) at this location?

Number of Containers

Cardboard

Paper

Glass

Plastic

Aluminum

Steel

Other (specify with container #)

Comments

15. Do you have a **fifth** drop-off site? *

Yes

No

16. Drop-off Site 5

If you have a similar drop-off location, please fill out one drop-off and add the addresses to the comment box below.

If easier, please email an excel file or list of drop-offs with the following information to your student representative.

General

Response

Community Programs

3. Part 2 - What types of recycling programs is your community responsible for implementing? (please check all that apply) *

- Drop-off Recycling Program
- Curbside Recycling Collection Programs
- Commercial Recycling Collection Program
- Organics Collection Programs
- Special Waste / Other Collection Programs
- None of the Above

4. Is your community responsible for implementing any of the following trash programs?

- Curbside trash collection
- Drop-off trash program
- Commercial trash collection

Drop-off Programs your Community is Responsible for Implementing

5. Drop-off Recycling Program Statistics

Response

2019 Total Drop-off Recycling Program Tons:

2019 Total Drop-off Recycling Program Cost to Community:

6. How many drop-off locations is your community responsible for?

Number of Sites

7. Drop-off Site 1

If easier, please email an Excel file or list of drop-offs with the following information to your student representative.

General

Response

Location Name

Address

City

Open Hours (i.e. M-F, 24/7, specific days)

Operating Status

Operating Status (supervised or unsupervised)

Collection Method (drive-through, trailers, dumpsters)

Estimated # of Customer Weekly Visits

Hauler (who provides service – SWMD, municipality, private hauler)

Destination

(where do recyclables go first– community recycling hub, transfer station, MRF, out-of-state)

Commingled container at this location?

- No
- Yes (Specify number of commingled containers at this site)

Source-separated container(s) at this location?

Number of Containers

Cardboard

Paper

Glass

Plastic

Aluminum

Steel

Other (specify with container #)

Comments

8. Do you have a **second** drop-off site? *

- Yes
- No

9. Drop-off Site 2

If easier, please email an Excel file or list of drop-offs with the following information to your student representative.

Appendix C

2019 Municipality Recycling Survey Cover Letter

Email sent to AIM Contacts

Subject: Request for Information on Waste Collection

Good Afternoon,

This is a follow up to an email a couple weeks ago and I would really appreciate your help!

The Indiana Department of Environmental Management (IDEM) in coordination with Accelerate Indiana Municipalities (AIM) is looking to collect information on waste services in your municipality. Please respond to the following questions regarding waste services in your municipality. Your responses will be used as part of a statewide report on Indiana's recycling infrastructure and economic impact and will help guide IDEM and legislator's to improve waste and recycling infrastructure across the state through funding and policy decisions.

If these questions are better filled out by another contact, please forward this email to the appropriate contact. Please respond as soon as you can.

- Do you have Curbside Trash Service in NAME OF MUNICIPALITY?
- --Who provides trash service such as the municipality or private contract (if so which hauler(s))?

- Do you have Curbside Recycling Service in NAME OF MUNICIPALITY?
- --Who provides recycle service such as the municipality or private contract (if so which hauler(s))?

- Are there recycling drop-offs in NAME OF MUNICIPALITY?
- If so, do you have a list of locations?

- Is there a point contact for NAME OF MUNICIPALITY for waste collection (such as a service director, etc)?
- If so, who?

We appreciate your help in helping us understand waste collection services provided in Indiana.

Thank you!

Appendix D

2019 End User Recycling Survey

2019 End User Recycling Survey

Indiana Recycling Infrastructure & Economic Impact Study

1. Part 1 - General information

Response

Organization Name: *

Number of Employees:

NAICS Code:

Contact Name: *

Mailing Address:

Email Address: *

Phone Number: *

Website:

2. Number of Employees Working in Indiana Facilities

	Number of Employees Full-Time	Number of Employees Part-Time (Under 32 Hrs)	Comments
DIRECT Recycling employees (sorters, purchasers, etc.)	<input type="text"/>	<input type="text"/>	<input type="text"/>
INDIRECT Recycling employees (admin/support, etc.)	<input type="text"/>	<input type="text"/>	<input type="text"/>

3. Indiana facilities/accounts/stores

Number of in-state facilities/accounts/stores (if applicable)

Please list in-state locations (names and addresses):

4. Does your organization use or purchase recycled material (either directly from generators or processed)? *

- Yes
- No

5. What is your primary role that your organization plays in the circular economy?

If you have another facility that has a different role, please fill out a separate survey. *

- MRF
- Broker
- Processor (breaks down post-consumer recycled material)
- Metal Processor: metal focused (scrap yard, metal recycling, etc.)
- Manufacturer (uses recycled material as feedstock for producing goods)
- Other - Write In (Required)

6. Has your organization submitted a 2019 recycling activity report in Re-TRAC, IDEM Solid Waste and Recycling Data Reporting Program?

- Yes
- No

7. Part 2 - Number of Indiana accounts that you sell to:

8. Recycled Material Inputs for Manufacturers

Manufacturer - Refers to a production facility of basic products that use recyclables as a raw material. Types of manufacturers include foundries, minimills, glass container mills, pulp and paper mills, and plastic reclaimers (finished grades of pellets and flake, extruded pipe and tube, containers, bags and sheets). Please complete the following about inputs of recyclables and products distributed from your company's Indiana operations in 2019.

Response

Total amount of recyclables
(include unit of measurement)
used as feedstock

What percent of these recyclables
is from Indiana?

9. Part 2 - Input

Please complete the following table by reporting the total amount of recycled materials in 2019 received at your Indiana facility's operations, as listed in Part 1. You may estimate if necessary.

In the "Source" column, please specify where/who you acquired or purchased the recycled material from.

In the "Amount" column, enter the quantity of materials used as feedstock in 2019, then specify the unit of measurement in the "Measurement" column.

In the "% from Indiana" column, note the percentage of that material received from Indiana origins.

	Source(s) of Material Organization, Location(s)	2019 Amount	Measurement (Pounds, Tons, Cubic Yards, etc.)	% from Indiana
Mixed/Commingled Recycling	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Paper (Newsprint, Office, Glossy, Books, etc.)	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Cardboard/Paperboard

Glass

Ferrous Metals (Steel, Iron)

Non-Ferrous Metals

(Aluminum, Copper, Brass)

Plastics (#1-#7)

Other Plastic Bags/Film Plastics

Wood (Except Pallets)

Wood - Pallets

Food (Do NOT include Cooking Oil)

Appliances (White Goods)

Rubber (Not Tires)

Used Tires

Used Motor Oil

Used Antifreeze

Electronics (Computers, TVs, Cellphones,
etc.)

Rechargeable/Household Batteries

Lead-acid Batteries (i.e. Automotive
Batteries)

Ink/Toner Cartridges

Textiles (Clothing, Fabrics)

Non-Exempt Foundry Sand

Yard Waste (Grass, Leaves, Branches)	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text" value="Enter another option"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

10. General Information for Metal Processors

What percentage of your total metals are sourced from the following?

[Municipal Solid Waste: Waste that does not include auto bodies, construction and demolition debris, industrial material, or hazardous material \(i.e. from residents and commercial businesses\)](#)

	Response Percent %	Comment
Municipal Solid Waste	<input type="text"/>	<input type="text"/>
Non-Municipal Solid Waste (Autobody, C&D, Industrial, etc.)	<input type="text"/>	<input type="text"/>

11. Part 2 - Input for Metal Processors

Please complete the following table by reporting the amount of recycled materials received at your Indiana facility's operations in 2019. You may estimate if

necessary.

In the "Source" column, please specify where/who you acquired or purchased the recycled material from.

In the "Amount" column, enter the quantity of materials used as feedstock in 2019, then specify the unit of measurement in the "Measurement" column.

In the "% from Indiana" column, note the percentage of that material received from Indiana origins.

	Source(s) of Material Organization, Location(s)	2019 Amount	Measurement (Pounds, Tons, Cubic Yards, etc.)	% from Indiana
Mixed/Commingled Recycling	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

12. Part 3 - Manufacturer Output

General Information

Response

2019 Total amount (pounds, tons, cubic yards, etc.) of feedstock
(**virgin plus recycled**)
used for the finished products manufactured in your Indiana
facilities.

Product description

	Average Percent of Recycled Content	Comments
Pellets	<input type="text"/>	<input type="text"/>
Flake	<input type="text"/>	<input type="text"/>
Molded packaging products	<input type="text"/>	<input type="text"/>
Containers	<input type="text"/>	<input type="text"/>
Ingots, sows, billets, coils	<input type="text"/>	<input type="text"/>
Furnace grade	<input type="text"/>	<input type="text"/>
Baled	<input type="text"/>	<input type="text"/>
Other	<input type="text"/>	<input type="text"/>
Other	<input type="text"/>	<input type="text"/>
Other	<input type="text"/>	<input type="text"/>
Other	<input type="text"/>	<input type="text"/>

13. Part 3 - Output

Please complete the following table by reporting the amount of goods that include recycled material distributed from your company's Indiana operations in 2019. You may estimate if necessary.

In the "Destination" column, please indicate where the material/goods containing recycled materials will go after it leaves your establishment.

In the "Amount" column, enter the quantity of materials for shipment in 2019, then specify the unit of measurement in the "Measurement" column.

	Output - Destination of Material/Goods (Company, Location)	Output - 2019 Amount	Output - Measurement (Pounds, Tons, Cubic Yards, etc.)
Mixed/Commingled Recycling	<input type="text"/>	<input type="text"/>	<input type="text"/>
Paper (Newsprint, Office, Glossy, Books, etc.)	<input type="text"/>	<input type="text"/>	<input type="text"/>
