Re: Repeal of Indiana rules and incorporation of federal regulations regarding  
USTs

To Whom It May Concern:

IDEM is notifying interested parties of the incorporation of the majority of the federal underground storage tank regulations of Title 40 of the Code of Federal Regulations (CFR) Part 280, Technical Standards and Corrective Action Requirements for Owners and Operators of Underground Storage Tanks (UST). All CFR citations refer to the regulations as incorporated by 329 Indiana Administrative Code 9-1-1. Indiana rules concerning UST record-keeping, release reporting, release investigation, corrective action, temporary closure, and financial assurance (except for 329 IAC 9-8-11 regarding the Excess Liability Trust Fund) are repealed and the CFR incorporation is effective as of October 12, 2023. IDEM will refer to relevant portions of 40 CFR Part 280 as appropriate going forward.

40 CFR Part 280 is located online at: <https://www.ecfr.gov/current/title-40/chapter-I/subchapter-I/part-280?toc=1>. Please contact Robyn Raftis at (317) 234-8119 or [rraftis@idem.in.gov](mailto:rraftis@idem.in.gov) with questions.

Sincerely,
