INVITES YOU TO ATTEND

THE FIRST RESPONSE TO ADDRESSING YOUTH GUN VIOLENCE

TUESDAY APRIL 30, 2024 • 1:30-4:30 P.M.
MARTIN UNIVERSITY • HARDIN GATHERTORIUM
2186 N. SHERMAN DR., INDIANAPOLIS, IN 46218

Gunshot wounds are the leading cause of death in Americans younger than 19 years old.

The purpose of this meeting is to follow-up on the meeting held in December when many of you voiced a need for community action regarding preventing youth firearm violence. We will be reviewing a strategic marketing plan and facilitate a discussion regarding the creation of a community violence prevention database.
