Follow the instructions, as listed on the webpage. Businesses are encouraged to register immediately so that delay of solicitation award would not occur. This registration is maintained by you and you may update your information at any time. It remains in the database and covers all solicitation responses you submit to any state agency. Respondents must also fully complete the Indiana Economic Impact form (State Form # 51778) and include it with their proposal response.

### **Defining an Indiana Business:**

"Indiana business" refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

**Substantial Capital Investment:**

Any company that can demonstrate a minimum capital investment in Indiana of \$5 million or more in plant and/or equipment or annual lease payments in Indiana of \$2.5 million or more shall qualify as an Indiana business under I.C.5-22-15-20.5 (b)(4).

**Substantial Indiana Economic Impact:**

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under I.C. 5-22-15-20.5 (b)(5).

**Indiana Economic Impact**

All companies desiring to do business with State Agencies must complete an "Indiana Economic Impact" form. The form is an Excel document and contains two tabs: Attachment C and FTE Details. Both sections must be completed. The form asks for, among other information:

- a. The amount of the contract that is being allocated for payroll and benefits to Indiana residents.
- b. The amount that is being awarded to Indiana subcontractors and suppliers.
- c. The amount that is being subcontracted to Indiana certified minority and women-owned businesses.

The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.

**Pricing**

Pricing on this solicitation must be firm and remain open for a period of not less than 180 days from the proposal due date. Any attempt to manipulate the format of the files, attach caveats to pricing, or submit pricing that deviates from the current format may put your bid at risk.

Pricing must include all delivery, shipping, service, and administrative costs associated with the product.

**Type of Award**

The State intends to establish a Quantity Purchase Agreement for a period of two (2) years for Bulk Fuel. The QPA can be mutually renewed yearly for two additional years under the same terms and conditions.

Renewals are subject to the approval of the Department of Administration and the State Budget Agency. Total term of this agreement including all renewals, shall not exceed four years.

ANY EXCEPTIONS ARE TO BE NOTED BELOW AND LISTED BY LINE ITEM NUMBER. (If additional space is needed, please attached a separate sheet)

## ADDITIONAL TERMS AND CONDITIONS

1. Term: The term of this agreement shall be for that period shown on the Contract Agreement, or as listed in the Bid Information Sheet.
2. Patents: The Contractor agrees to defend, at its own expense, the State of Indiana and the Using Agency and to hold it harmless with respect to any claims that the equipment furnished by the Contractor under this agreement infringes or allegedly infringes any patents of the United States and with respect to any and all suits, controversies, demands, and liabilities arising out of such claim; provided that the foregoing shall not apply to infringement resulting from Contractor's use of a patented invention required to comply with the written instructions of the State, if such patented invention is not normally utilized by the Contractor, and provided that the State:
  - A. Gives the Contractor a prompt written notice of any claim; and
  - B. Allows the Contractor to control and fully cooperates with the Contractor in the defense and all related settlement negotiations.
3. Obligation: Contractor's obligation under the Patents Section is further conditioned on the State's agreement that if the operation of the equipment becomes or, in the Contractor's opinion, is likely to become the subject of such a claim, the State will permit Contractor, at its option and expense, either to procure the right for the State to continue using the equipment or to replace or modify it so that it becomes non-infringing. However, if neither of the foregoing alternatives is reasonably available, the State will return the equipment upon written request by the Contractor. The Contractor agrees to grant the State credit for returned equipment as depreciated. The depreciation shall be an equal amount per year over the life of the equipment established by mutual agreement of the State of Indiana and the Contractor.
4. Default:
  - A. If the Using Agency, after sixty (60) days written notice, fails to correct or cure any breach of this agreement, then the Contractor may cancel and terminate this Agreement and collect all monies due up to and including the date of termination.
  - B. If the Contractor, after sixty (60) days written notice, fails to correct or cure any breach of this agreement, the Using Agency may cancel and terminate this Agreement and thereafter owe no further monies for equipment usage beyond the termination date.
5. Assignment: The Contractor shall not assign or subcontract the whole or any part of this contract without the State's prior written consent. The Contractor may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the State, provided that Contractor gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this contract and shall not be made to more than one party.
6. Alterations and Attachments: An alteration or attachment to equipment may be made only upon approval by the Contractor, which approval shall not be unreasonably withheld. The State agrees to remove any alteration or attachment and to restore equipment to its normal, unaltered condition, ordinary wear and tear excepted, prior to its return to Contractor, or upon notice from Contractor that the alteration or attachment creates a safety hazard or renders maintenance of the equipment impractical.
7. Authority to Bind Contractor: Notwithstanding anything in the contract to the contrary, the signatory for the Contractor represents that he/she has been duly authorized to execute contracts on behalf of the Lessor/Contractor designated in the solicitation package and has obtained all necessary or applicable approval from the home office of the Contractor to make this contract fully binding upon the Contractor when his/her signature is affixed and is not subject to home office acceptance hereto and accepted by the State of Indiana.
8. Independent Contractor: Both parties hereto, in the performance of this contract, will be acting in an individual capacity and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume any liability for any injury (including death) to any persons or any damage to any property arising out of the acts or omissions of the agents, employees, or subcontractors of the other party.
9. Penalties/Interest/Attorney's Fees: The State will in good faith perform its required obligations hereunder but does not agree to pay any penalties, interest, liquidated damages, or attorney's fees except as expressly required by Indiana Law including, but not limited to, IC 5-17-5, IC 34-54-8, IC 34-13-1.
10. Waiver of Rights: No right conferred on either party under this contract shall be deemed waived and no breach of this contract excused unless such waiver or excuse shall be in writing and signed by the party claimed to have waived such rights.
11. Hold Harmless/Indemnification: The Contractor agrees to indemnify, defend, and hold harmless the State of Indiana and its agents, officers, and employees from all claims and suits, including court costs, attorney's fees, and other expenses, caused by any act or omission of the Contractor and/or its subcontractors, if any. The State shall not provide such indemnification to the Contractor.
12. General: This contract embodies the entire agreement between the parties. It may not be modified or terminated except as provided herein or by a written agreement signed by all authorized and required parties. The terms, conditions, and specifications of the original solicitation, if any, and/or any award made in connection with this transaction are incorporated herein by reference and made a part hereof just as if they have been fully set out herein.
13. Open Competition: The specifications contained herein are intended to be nonrestrictive. Although at times brand names and model numbers may be used, they are merely intended to be guidelines to establish criteria and quality for competitive bidding. Alternate bids will be evaluated and may be acceptable as long as they can be verified as equal or better than specified as determined by the Indiana

Department of Administration and the Using Agency. All offerors bidding alternate products are requested to submit detailed specifications with their quote/bid.

14. Insurance: If this agreement provides for work to be performed by the Contractor on property owned or controlled by the State of Indiana, or on property of others named herein, Contractor shall be responsible for providing all necessary unemployment and workers' compensation insurance for the Contractor's employees.

If required by contract, the Contractor shall furnish to the Indiana Department of Administration Procurement Division, upon request, a written certificate obtained from an approved insurance company or proper governmental authority establishing that said insurance of employees has been procured and that premiums therefore have been paid and specifying the name of the insurer and the policy number and expiration dates.

15. Work Standards: The Contractor agrees to execute its respective responsibilities by following and applying at all times the highest professional and technical guidelines and standards. If the State becomes dissatisfied with the work product or the working relationship with those individuals assigned to work on this Contract, the State may request the replacement of any or all such individuals.
16. Contract Confidentiality of State Information: The Contractor understands and agrees that data, materials, and information disclosed to Contractor may contain confidential and protected data; therefore, the Contractor promises and assures that data, material, and information gathered, based upon, or disclosed to the Contractor for the purpose of this contract will not be disclosed to others or discussed with other parties without the prior written consent of the State.
17. Confidentiality of Data, Property Rights in Products, and Copyright Prohibition: The/Contractor further agrees that all information, data, findings, recommendations, proposals, etc., by whatever name described and by whatever form therein secured, developed, written, or produced by the /Contractor in furtherance of this Contract, shall be the property of the State and that the Contractor shall take such action as is necessary under law to preserve such property rights in and of the State while such property is within the control and/or custody of the Contractor. By this contract the Contractor specifically waives and/or releases to the State any cognizable property right in the Contractor to copyright or patent such information, data, findings, recommendations, proposals, etc.
18. Ownership of Documents and Materials: All documents, records, programs, data, film, tape, articles, memos, and other materials developed under this contract will be the property of the State of Indiana. Use of these materials other than related to contract performance by the Contractor without prior written consent of the State is prohibited. During the performance of the services specified, the Contractor shall be responsible for any loss or damage to these materials developed for or supplied by the State and used to develop or assist in the services provided herein while they are in the possession of the /Contractor and any loss or damage thereto shall be restored at the Contractor's expense. Full, immediate, and unrestricted access to the work product of the Contractor during the term of this contract shall be available to the State.
19. Progress Reports: The Contractor will submit a progress report to the State upon request. The report will be oral, unless the State, upon receipt of the oral report, should deem it necessary to have it in written form. The progress report shall serve the purpose of assuring the State that work is progressing in line with the schedule and the completion can be reasonably assured on the scheduled date.
20. Access to Records: The Contractor and all subcontractors shall maintain all books, documents, papers, accounting records, and other evidence pertaining to the cost incurred and shall make such materials available at their respective offices at all reasonable times during the contract period and for three (3) years from the date of final payment under the contract, for inspection by the State or by any other authorized representative of the State Government and copies thereof shall be furnished at no cost to the State if requested.
21. Substantial Performance: This contract shall be deemed to have been substantially performed only when fully performed according to its terms and conditions and any modification thereof.

    - "Commission" means the State Ethics Commission.
  - B. The Department may cancel this Contract without recourse by Contractor if any interested party is an employee of the State of Indiana.
