Re: Bid #24-76080

To Whom It May Concern,

This executive summary highlights the vital capability of providing pool chemicals as required in the bid solicitation #24-76080. As a supplier to the commercial pool industry since 1984, we possess the expertise and resources to deliver a comprehensive range of pool chemicals that meet the specified requirements. Our commitment to quality ensures that the chemicals are of the highest standards, promoting safe and efficient pool maintenance. With our reliable supply chain and competitive pricing, we are well-positioned to meet the demands of the bid solicitation and provide exceptional service to our clients.

Sincerely,

Principal Contact: David Bollman
