Re: Indiana OTP Expansion

Dear Mr. Mohr,

Thank you for the opportunity to meet last week and discuss OTP needs in our area.

Indiana's opioid epidemic is destroying lives, damaging families, and taking a toll statewide. Southern Indiana has been hit by the opioid epidemic, specifically in terms of opioid-related overdoses and ER visits for both prescription drug misuse and heroin use.

We appreciated the explanation about the possible expansion of treatment services to serve our area and reduce the toll the opioid epidemic is taking on our community. Please contact me if you have any additional questions.

Thank you.

Sincerely,

John Hamilton  
Mayor, City of Bloomington
