## **EXECUTIVE SUMMARY**

### **RFP 103-23-73679**

BBNH Enterprises Inc respectfully submits this executive summary and requested information for RFP 103-23-73679: Food Service Operations for Indiana Law Enforcement Academy.

#### **2.2.1: Summary of Ability and Desire to Supply the Required Products or Services:**

BBNH Enterprises has the ability and desire to supply the requested products and/or services to meet the requirements refined in Section One of this solicitation.

BBNH Enterprises has been providing Food Service for Indiana Law Enforcement Academy and Indiana State Police since 2019. BBNH remains committed to providing high-quality service and fresh ingredients to our menu items. We understand the importance of proper nutrition, meal selection, service timeliness, quantities and quality of meals to the overall performance of recruits during their training at ILEA.

BBNH Enterprises, Inc. has been prime contracting or subcontracting for military trainings since 2011. We provide service to various military branches at various locations around the United States. Our Food Service clients include: US MARSOC (Marine Corps Forces Special Operations Command) operator assessment and selection training, Montana Army National Guard Dining Facility Operation, and Wisconsin Department of Military Affairs Challenge Academy.

Our technical capability and approach ensures the ability to meet all of the requirements related, but not limited to the following areas:

- Account Management and Reporting
- Employee/Staff Management
- Food Service/Cafeteria Management
- Financial Responsibility
- Miscellaneous Proposal/Evaluation Specifications.

#### **2.2.2: Signature of Authorized Representative:**

Signature of Authorized Representative will be the principal contact for this solicitation. The principal contact shall also be the authorized representative to commit BBNH Enterprises, Inc. to its representations and certify the information in the proposal:

70100 Hilltop Dr. | Union, MI 49130
