Mr. Moorman:

The East Central Educational Service Center confidently submits a bid for the Request for Proposal 22-71500 High Ability Coordinator: Gifted Programming Certificate Project. We are the ideal candidate to coordinate this project. The center has experience in this type of work and has run projects similar. We have infrastructure in place to make this meaningful for participants. Also, our reputation among educators helps to create buy in for sustainability of projects like this one. We can offer coordination of stakeholders, financial management and professional development in this project.

If awarded, the IDOE can count on us to communicate regularly and effectively. We can streamline processes so that the IDOE can accomplish their goals efficiently. We have demonstrated that we are reliable and will deliver.

The total submitted bid amount is equal to \$317,993.
