On September 13, 2010, the Governor's Commission on Minority and Women's Business Enterprises approved the department's effort to streamline its recertification process. Instead of conducting an onsite visit to each company seeking recertification, the department now has the discretion to waive the visit after a thorough review of the company's file and recertification documents. We have approved your recertification and it is valid through **November 30, 2023**. Please note that IDOA continues to reserve the right to conduct a site visit or phone interview at any time to certified companies.

Although your certification is valid for a three-year period, you are required to submit an annual *Affidavit of Continued Eligibility (ACE)* form, located at www.in.gov/idoa/mwbe/files/ACE_Form.pdf. Please

remember you must notify us immediately if any changes occur. Failure to notify us of changes or to provide an ACE form annually will result in revocation of your certification. Changes include, but are not limited to, changes in location, contact information, ownership, and control.

We encourage you to visit IDOA's procurement website, www.in.gov/idoa/2464.htm, and update your Business Registration Profile. It is important that you review and update your profile regularly, because state purchasing agents and prime contractors may use this information to contact you for business opportunities. For questions regarding your registration profile, you may contact our office at 317-232-3061.

While this letter serves as notification of certification, it does not serve to prove continued eligibility. Please visit www.in.gov/idoa/mwbe/2743.htm to verify certification status. Please contact our office at (317) 232-3061 if you have any other questions.

We ask that you please contact our office at (317) 232-3061 or mwbe@idoa.in.gov if you have any questions or concerns about your letter.

Sincerely,
