Re: Indiana Family and Social Services Administration (FSSA), Division of Mental Health and Addiction (DMHA) Request for Proposal for continued support State Epidemiological Outcomes Workgroup, RFP#21-66776 State Epidemiology Outcomes Working Group

Dear Ms. Vuppalanchi,

IT Transformers, Inc. (IT Transformers) is pleased to provide this letter of commitment to participate as a subcontracting partner with Syra Health Corp in its response to the Indiana Family and Social Services Administration (FSSA), Division of Mental Health and Addiction (DMHA) Request for Proposal RFP#21-66776 State Epidemiology Outcomes Working Group.

IT Transformers will provide technology staff to support Syra Health Corp's Data Analysis and Reporting team. IT Transformers understands that there is no commitment for work by Syra Health Corp unless the RFP activity results in a contract award from the State of Indiana.

Should Syra Health Corp sign a contract with the State of Indiana, IT Transformers will be an integral part of the Data Analysis and Reporting teams providing technical services beginning with the project initiation phase and will continue as needed through the term of the contract. The estimated subcontracted amount for this engagement is approximately \$25,254 per year for a period of two years. This amount represents 8.28% of Syra Health Corp's Total Bid Amount.

IT Transformers, a certified Minority Business Enterprise (MBE), is registered to do business with the State of Indiana under Bidder Registration #0000027676 and remains in good standing. This letter provides IT Transformers' commitment to abide by all state procurement regulations. IT Transformers is a Technology Consulting and Software Services Company headquartered in Indianapolis, Indiana.

Regards,

Krishna Padmanabhan  
COO  
IT Transformers, Inc.
