Professional Experience

Senior Counsel

Oct. 2015 - Present

Krieg DeVault, LLP

Member of the Health Care Practice Group focusing on Federal and State Medicaid laws, administrative appeals, government audits, fraud and abuse laws, Corporate Integrity Agreement compliance, contracts, and government affairs related issues. Assist health care providers to navigate government audits, administrative appeals of enforcement actions, financial matters, and matters related to drafting and amending State Medicaid laws and administrative rules. I have extensive experience with Corporate Integrity Agreements, including implementing practices, drafting policies, independent systems reviews, and drafting documents for the Office of Inspector General. I regularly review and edit contracts for clients, including drafting company operating agreements and board resolutions.

Staff Attorney/Deputy General Counsel

Mar. 2011-Oct. 2015

Indiana Family and Social Services Administration

Manage several staff attorneys with responsibility over administrative appeals, civil litigation, employment litigation, Medicaid advisory matters, administrative rulemaking, and contracts.

Research complex legal issues and advise the agency Secretary and the Office of Medicaid Policy and Planning, draft and review legislation and administrative rules, and acted as project manager to implement significant changes to Medicaid administration. Regularly advise and support the compliance departments regarding agency actions, audits, appeals, and litigation. Advise the Office of the Office of Attorney General and the Medicaid Fraud Control Unit on Medicaid litigation matters. During a transition period to a new General Counsel, I served as the agency Ethics Officer and Interim General Counsel.

Notable events included managing the legal team supporting several significant statewide Medicaid eligibility reforms required by State and Federal law; implementing new regulatory processes to ensure compliance with these reforms; drafting state laws used to allow the agency to implement some aspects of the Affordable Care Act; acting as a key player on the legal team that created, developed, and implemented the Governor's Medicaid expansion plan (HIP 2.0).
