To CELL at the University of Indianapolis, :

Chamberlin/Dunn LLC is a certified woman-owned business enterprise (WBE) with the State of Indiana, with a valid certification through September 30, 2024. We are pleased to partner with CELL at UIndy on *RFP 22-70334, STEM and Literacy Plan Work*.

We have a strong history providing research and evaluation for state and quasi-federal public agencies and working directly with state and federal grantees on site-level evaluation and technical assistance. We are prepared to support CELL in designing and executing a research agenda for the project. Specifically, C/D will work with CELL and IDOE to create and refine project research questions; to analyze data collected from training participants and schools to compile into research and evaluation reports; and to provide insight on the extent to which the project is achieving desired outcomes. These activities fall within the UNSPSC codes under which Chamberlin/Dunn is certified:

- 80101500 Business and corporate management consultation services
- 80101600 Project management
- 80171500 Situation & stakeholder analysis & communications planning svcs
- 80171900 Stakeholder management and relations services
- 81131500 Methodology and analysis
- 81112007 Content or data standardization services
- 81112009 Content or data classification services
- 93141509 Social problems analysis or management services

Attached is our certification letter. For the work described above, we understand we will be compensated \$162,050, or .62% of the total budget.

Chamberlin/Dunn is proud to be an Indiana WBE and looks forward to supporting CELL and the Indiana Department of Education in this important work.

Sincerely,

Molly Chamberlin, Director + Co-Founder
