ABOUT TRANS SOLUTIONS

TRANS SOLUTIONS
RESEARCH & RESOURCE CENTER

Trans Solutions Consulting, LLC was founded in 2018 and our Research & Resources Center was founded in 2021. Our mission is to bring appropriate empowerment to TGNC disfranchised communities through a multi - tiered approach accessing resources, comprehensive health research and social services.

Our Vision is to offer practical solutions through a distribution of services via online, physical and networked resources that focus directly to address the social determinants of health, empower TGNC marginalized populations through education, equity and mentorship, and to promote safety and foster leadership opportunities.
