SCOPE OF EXAMINATION

The Company was last examined by representatives of the Indiana Department of Insurance (INDOI) as of the period ending December 31, 2006. The present risk-focused examination was conducted by Noble Consulting Services, Inc. (Noble) and covered the period from January 1, 2007 through December 31, 2011.

David M. Shepherd, FCAS, MAAA, of Merlinos & Associates, Inc., has been appointed by the INDOI to conduct a review of Infinity Insurance Company (IIC) and its affiliated property and casualty insurance companies' (the Group) statutory reserves as of December 31, 2011. There were no actuarial adjustments from the review performed by Merlinos & Associates, Inc.

Noble conducted the examination pursuant to and in accordance with the NAIC *Financial Condition Examiners Handbook* (Handbook). The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company including corporate governance, identifying and assessing inherent risks within the Company, and evaluating system controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall Financial Statement presentation, management's compliance with Statutory Accounting Principles and Annual Statement instructions, when applicable to domestic state regulations.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process.

HISTORY

In November 1987, the Company was incorporated as Regal Insurance Company, an Indiana domestic insurer. Upon its initial capitalization, all of the authorized capital stock of the Company was purchased by Infinity Standard Insurance Company (ISIC). At that time, ISIC was an indirect, wholly-owned subsidiary of American Financial Group, Inc. (AFG). Effective December 31, 2002, AFG contributed all of the issued and outstanding common stock of ISIC to Infinity Property and Casualty Corporation (IPCC). IPCC was formed to own all of the personal lines agency business of AFG for the purpose of making it available in an initial public offering.

AFG sold 61% of IPCC in an initial public offering on February 19, 2003. Effective December 17, 2003, AFG sold its remaining shares of the issued and outstanding common stock of IPCC through a secondary public offering. As a result, AFG ceased to be the ultimate controlling entity and an affiliate of IPCC and its subsidiaries.

Effective January 1, 2005, IPCC contributed all of the common capital stock of ISIC to IIC. IIC is an Indiana domestic insurance company and a wholly-owned subsidiary of IPCC. Effective January 12, 2006, the Company changed its name to Infinity Security Insurance Company.

CAPITAL AND SURPLUS

The Articles of Incorporation, as amended, provide that the authorized capital of the Company shall consist of 100,000 shares of common stock with \$100 par value. As of December 31, 2011, IIC owned all 25,000 issued and outstanding shares of the Company's common stock. The Company has no shares of preferred stock outstanding.

DIVIDENDS TO STOCKHOLDERS

The Company paid the following dividends to IIC during the examination period:

<u>Year</u>	<u>Total</u>	<u>Ordinary</u> <u>Dividends</u>	<u>Extraordinary</u> <u>Dividends</u>
2011	\$ 350,000	\$ 350,000	\$ -
2010	250,000	-	250,000
2009	825,000	-	825,000
2008	-	-	-
2007	-	-	-
Total	<u>\$ 1,425,000</u>	<u>\$ 350,000</u>	<u>\$ 1,075,000</u>

In accordance with Indiana Code (IC) 27-1-23-4(h), the payment of dividends to holding companies or affiliated insurers may not exceed the greater of 10% of the prior year's surplus or the gains from operations of such insurer of the prior year. The Company paid two (2) extraordinary dividends during the examination period with the prior approval of the INDOI. The 2010 extraordinary dividend of \$250,000 was a return of paid in surplus. In 2009, \$250,000 of the \$825,000 extraordinary dividend was a return of paid in surplus. The other dividend paid during the examination period was ordinary in nature and did not require prior regulatory approval. In accordance with IC 27-1-23-1.5, the Company notified INDOI of all declared dividends to the parent during the examination period.

TERRITORY AND PLAN OF OPERATION

The Group provides automobile insurance nationwide with a concentration in non-standard private passenger auto insurance. The Group markets its insurance products using a network of approximately 12,900 independent agents and brokers. While the Group does offer commercial auto and classic collector coverage, these products represented only 6% and 1% of gross written premiums for 2011, respectively. The remaining 93% of gross writings represents private passenger auto insurance. Overall, the Group estimates that 76% of their auto insurance is concentrated in non-standard private passenger auto coverage.

The Group, through its various affiliated insurance companies, holds licenses in all fifty (50) states and the District of Columbia, but the Group is committed to growth in targeted urban areas identified within the Group's focus states. The Group has targeted urban areas in the following focus states: Arizona, California, Florida, Georgia, Illinois, Nevada, Pennsylvania, and Texas. In 2011, the Group's top five (5) states included California, Florida, Georgia, Pennsylvania, and Texas which accounted for approximately 90% of direct written premiums (DWP). California and Florida, alone, represented more than 71% of DWP.

The Company is licensed in the following 31 states: Alabama, Arizona, Arkansas, Colorado, Connecticut, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Minnesota, Mississippi, Nebraska, New Mexico, New York, North Carolina, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, Tennessee, Utah, Virginia, Washington, and Wisconsin. The Company had less than \$10,000 in written premium in Oregon and Utah for 2011. The Company is being considered for sale or elimination.

GROWTH OF THE COMPANY

The following exhibit summarizes the financial results of the Company during the examination period:

<u>Year</u>	<u>Admitted Assets</u>	<u>Liabilities</u>	<u>Surplus and Other Funds</u>	<u>Earned Premiums</u>	<u>Net Income</u>
2011	\$ 7,415,495	\$ 1,091,440	\$ 6,324,055	\$ 1,019,060	\$ 164,537
2010	7,481,976	970,810	6,511,166	905,919	232,862
2009	7,444,169	978,722	6,465,447	848,391	263,558
2008	8,046,102	1,020,528	7,025,574	922,451	324,971
2007	7,835,613	1,099,406	6,736,207	1,031,564	264,495

Assets, liabilities, surplus, and premiums remained relatively consistent throughout the examination period. Net income increased in 2008 and then steadily decreased the rest of the examination period primarily due to decreases in net investment gains.

Affiliated Agreements:

The following affiliated agreements and transactions were disclosed as part of the Form B – Holding Company Registration Statement and were filed with the INDOI, as required, in accordance with IC 27-1-23-4.

Underwriting Agency Agreement

Security and Casualty Underwriters, Inc. (CUI) are parties to an Underwriting Agency Agreement, as amended December 1, 1991, whereby CUI performs certain underwriting, processing, and claims services for Security. As consideration, CUI is paid 17.5% of the written premium net of all return premiums on policies returned for cancellation with medical payments coverage, and 7.5% of written premium where the policies returned for cancellation do not contain medical payments coverage.

Consolidated Tax Allocation Agreement

IPCC and certain of its subsidiaries are parties to a Consolidated Tax Allocation Agreement whereby federal income taxes resulting from the filing of a consolidated federal tax return are allocated among parties to the federal consolidated tax group. The agreement was entered into on December 31, 2003, and was effective February 13, 2003. A complete list of companies who are participants to this agreement is contained in Note 9(f) of each company's Annual Statement.

Inter-Company Pooling Agreement

As more fully discussed in the Reinsurance section of this Report of Examination, all affiliate insurers except Infinity County Mutual Insurance Company are members of an Inter-Company Pooling Agreement. Transactions are covered in accordance with the Inter-Company Pooling Agreement initially dated January 1, 1992, which covers substantially all business.

FIDELITY BOND AND OTHER INSURANCE

The Company protects itself against loss from any fraudulent or dishonest acts by its employees through a financial institution bond issued by St. Paul Fire and Marine Insurance Company. The bond has blanket coverage of \$5,000,000 with a deductible of \$250,000. The bond is adequate to meet the prescribed minimum coverage specified by the NAIC.

The Company had additional types of coverage in-force at December 31, 2011, including, but not limited to umbrella liability, fiduciary liability, and directors and officers liability.

PENSION, STOCK OWNERSHIP, AND INSURANCE PLANS

Since all employees providing services to the Group's insurance operations are employed by IIC, Security does not have a defined benefit, defined contribution, or multiemployer plan.

IPCC has a 401(k) Retirement Plan (the Plan) for the benefit of employees of IPCC and its participating subsidiaries. The Plan is a defined contribution plan in which participating employees are entitled to share in contributions made by Security on their behalf. The Plan has two (2) types of contributions, including 401(k) contributions made by participating employees and contributions made by Security. Participating employees are permitted to make 401(k) contributions to the Plan. Matching contributions may be made by Security based on the amount of 401(k) contributions made by the participating employees. IPCC also has a Supplemental Executive Retirement Plan (SERP) for a select group of management or highly compensated employees. The SERP enables eligible employees to receive additional retirement contributions from Security that are precluded by law due to limitations of a qualified retirement plan. SERP costs are funded as they accrue and vested benefits are fully funded. Matching contributions to the SERP are subject to the discretion of IPCC, and Security has no liability for future contributions to the SERP. Security's share of the expense for the Plan and the SERP during 2011 was \$3,991.

Security also provides postretirement benefits to employees based on date of retirement, age, and service requirements through a plan sponsored by IPCC. The retiree medical care plan is a contributory plan. Some employees pay the full cost of retiree medical coverage as outlined by the plan. Security paid the full cost of life insurance coverage in 2011 for retirees eligible for this coverage. IPCC has the right to modify or terminate either of these plans in the future. Security has the right to terminate its participation at any time in the future.

Security accrues its postretirement benefits over the period the employees qualify for such benefits. At December 31, 2011, Security's accumulated postretirement benefit obligation (APBO) was \$4,045 using a discount rate of 4% of which \$4,045 was accrued. Net postretirement benefits costs for the year ended December 31, 2011, were \$140 which includes administrative cost, service cost, and interest cost.

The weighted average annual assumed rate of increase in the health care cost trend rate is 9% for 2012 and is assumed to decrease gradually to 5% by 2031 and to remain at that level thereafter. The effect of a 1% increase in the assumed health care cost trend rate for each year would increase the APBO at December 31, 2011, by \$311.

REINSURANCE

Inter-Company Pooling

As a member of the Group, the Company participates in an Inter-Company Pool for which IIC acts as the lead pool reinsurer.

The pooling process is comprised of three (3) steps. First, each company directly or indirectly cedes 100% of their direct and assumed business to IIC pursuant to the pooling agreement. In 2011, the Company ceded premiums totaling \$4,000 and case loss and expense reserves totaling \$508,000 to IIC in connection with pooling transactions.

Second, IIC then cedes excess of loss and catastrophe reinsurance to a group of unrelated open market reinsurers (external reinsurance) and various state-operated residual market reinsurance facilities. Any uncollected external reinsurance balances are ultimately shared among all pool members in proportion to each member's designated pooling percentage.

Third, in its capacity as lead pool insurer, IIC then cedes (or retrocedes) a specified percentage of the combined pool back to each participating pool member in accordance with that member's pooling percentage. At December 31, 2011, IIC retained 98.8% of the total pool and ceded 1/10th of 1% (one-tenth of one percent) to each of twelve (12) participating pool members as shown below. In 2011, IIC ceded premiums totaling \$1.1 million to each participating pool member and reported total reinsurance recoverables (consisting of paid, outstanding, incurred but not reported and loss adjustment expense reserves plus unearned premiums) of \$1.0 million due from each remaining pool member identified below.

<u>Company Name</u>	<u>Percentage</u>	
	<u>2011</u>	<u>2010</u>
Infinity Insurance Company (IN)	98.8%	98.6%
Infinity Assurance Insurance Company (OH)	0.1%	0.1%

Infinity Standard Insurance Company (IN)	<u>0.1%</u>	<u>0.1%</u>
 Combined Group Totals	 <u>100.0%</u>	 <u>100.0%</u>

** *Infinity General Insurance Company and Infinity Specialty Insurance Company were sold on December 31, 2011.*

In addition to the above listed companies, one (1) other affiliate, Infinity County Mutual Insurance Company, cedes 100% of its business to IIC but does not re-assume any share of the combined pool results. IIC in turn cedes all but a minor portion of its direct and assumed business to other pool companies where it is combined with other business in the pool.

External reinsurance ceded

As noted above, IIC, as lead pool reinsurer, maintains a comprehensive corporate reinsurance program designed to limit both per-risk and catastrophe exposures to acceptable limits.

The primary contracts and limits placed in this regard are as follows:

- Private passenger auto excess of loss - \$900k x/s \$100k
(Note: This contract was terminated in 2008 and is currently in runoff servicing losses only.)
- Commercial auto excess of loss - \$700k x/s \$300k
- Property (auto comprehensive) catastrophe excess of loss - \$15 million x/s \$5 million
- Contingency clash and excess of loss - \$10 million x/s \$5 million

As of December 31, 2011, these treaties are placed with reinsurers that have an AM Best financial strength rating of A- or better. They are placed on behalf of all members of the Group by IIC through national reinsurance brokers AON Benfield and Guy Carpenter & Company, LLC. The cost of each treaty is deducted from the combined pooled premium and the residual ceded to each pool member in proportion to their designated pool share.

ACCOUNTS AND RECORDS

The Company's accounting procedures, practices, account records, and supporting data were reviewed and tested to the extent deemed necessary. The trial balances prepared from the Company's general ledger for the years ended December 31, 2010 and 2011, were agreed to the respective Annual Statements. The Annual Statements for the years ended December 31, 2010 and 2011, were agreed to each year's independent audit report without material exception. The Company's accounting procedures, practices, and account records were deemed satisfactory.
