PROJECT TITLE AND EXPLANATION OF CHANGES FY21 Indiana Finance Authority Revolving Loan Fund (RLF) Supplemental Funding This agreement will provide funding for the Indiana Finance Authority to capitalize a revolving loan fund from which to make loans and subaward to clean up brownfields site(s), and conduct other necessary activities to prudently manage the RLF. The primary expected output of the Indiana Brownfields Program's 2021 RLF Supplemental Funding award will be the issuance of up to three (3) subgrants/subawards (or a loan(s)) for up to three sites in one community to remediate primarily hazardous substances-contaminated brownfield sites. Brownfields are real property, the expansion, development or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant. This amendment updates the site code in the fiscal section that was omitted. Adding the appropriate site code will allow the recipient to drawdown funds awarded in Amendment #E. The site code is G5CHOL00.
