

Indiana NEU Estimated Allocations Table

NOTE: The IFA has included in the table below a column providing the NEU approved budget as of January 27, 2020 certified by the Indiana Department of Local Government Finance (DLGF). Its purpose is to only provide NEUs with their *estimated* final total allocation. Please note that the DLGF certified budget value may exclude other budget line items included in your total operating budget (or Budget Form 4). An NEU may make the determination that other approved budget line items not certified by DLGF meet Treasury's definition of "top-line budget" and include in their total budget submitted to the IFA. It is the responsibility of the NEU to ensure the total operating budget submitted to the IFA follow Treasury guidance.

* ARPA requires States' allocations to NEUs to be based on the proportion of the population in the NEU as a share of the total population of all NEUs in the State. This requirement can be represented by the following formula:

$$\frac{\text{Total population of the NEU}}{\text{Total population of all eligible NEUs}} \times \text{Aggregate state NEU payment}$$
