HUD's 2013 Continuum of Care Homeless Assistance Programs
Housing Inventory Count Report

Important Notes About This Data:This report is based on information provided to HUD by Continuums of Care in the 2013 Continuum of Care application and has not been independently verified by HUD. CoCs were instructed to collect data for a point-in-time during the last week of January 2013. For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the hudhre.info web site (http://www.hudhre.info/index.cfm?do=viewCoCMapsAndReports). In some cases, a community may have listed a program in the Housing Inventory Count but did not provide sufficient information/detail for HUD to understand the number of beds/units available and the target population served. Those programs have been removed for the purposes of this report.

*HUD's point-in-time count does not include persons or beds in permanent supportive housing as currently homeless.

[1]Family Units and Family Beds categories include units and beds for households with one adult and at least one child under age 18.

Important Notes About This Data:This report is based on information provided to HUD by Continuums of Care in the 2013 Continuum of Care application and has not been independently verified by HUD. CoCs were instructed to collect data for a point-in-time during the last week of January 2013. For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the hudhre.info web site (http://www.hudhre.info/index.cfm?do=viewCoCMapsAndReports). In some cases, a community may have listed a program in the Housing Inventory Count but did not provide sufficient information/detail for HUD to understand the number of beds/units available and the target population served. Those programs have been removed for the purposes of this report.
