## **PART 1**

## **SCOPE OF THIS REQUEST**

### **1. PURPOSE OF THIS REQUEST FOR PROPOSAL (“RFP”)**

The Indiana Housing and Community Development Authority (“IHCDA”) seeks to contract with a contractor to provide consulting services to assist IHCDA and the Indiana Balance of State Continuum of Care (“IN BOS CoC”) to provide advocacy education and legislative tracking for IN BoS CoC Board of Directors.

### **2. ABOUT THE INDIANA HOUSING AND COMMUNITY DEVELOPMENT AUTHORITY**

#### **MISSION STATEMENT**

The IHCDA creates housing opportunities, generates, and preserves assets, and revitalizes neighborhoods by facilitating the collaboration of multiple stakeholders, investing financial and technical resources in development efforts, and helping build capacity of qualified partners throughout Indiana.

#### **VISION**

At IHCDA, we believe that growing Indiana's economy starts at home. Everyone can agree that all Hoosiers should have the opportunity to live in safe, affordable, good-quality housing in economically stable communities. That's the heart of IHCDA's mission. Our charge is to help communities build upon their assets to create places with ready access to opportunities, goods, and services. We also promote, finance, and support a broad range of housing solutions, from temporary shelters to homeownership.

IHCDA's work is done in partnership with developers, lenders, investors, and nonprofit organizations that use our financing to serve low and moderate-income Hoosiers. We leverage government and private funds to invest in financially sound, well-designed projects that will benefit communities for many years to come. And our investments bear outstanding returns. The activities that we finance help families become more stable, put down roots, and climb the economic ladder. In turn, communities grow and prosper, broadening their tax base, creating new jobs, and maximizing local resources. IHCDA's work is truly a vehicle for economic growth, and it all starts at home.

#### **OVERVIEW (for more information visit <http://www.in.gov/ihcda/>)**

IHCDA was created in 1978 by the Indiana General Assembly and is a quasi-public financially self-sufficient statewide government agency. IHCDA's programs are successful in large part because of the growing network of partnerships IHCDA has established with local, state, and federal governments, for-profit businesses and not-for-profit organizations. For-profit partners include investment banks, mortgage lenders, commercial banks, corporate investment managers and syndicators, apartment developers, investors, homebuilders, and realtors. Not-for-profit partners include community development corporations, community action agencies, and not-for-profit developers.
