Re: Request for Proposals – Coordination with the Indiana Housing and Community Development Authority and the Indiana Balance of State Continuum of Care to address systemic and institutional inequities for minoritized people experiencing homelessness

The Indiana Housing and Community Development Authority (“IHCDAs”) seeks to contract with a consultant to provide consulting services to assist IHCDAs and the Indiana Balance of State Continuum of Care (“IN BOS CoC”) to assist with the development of an action-oriented plan to address systemic and institutional inequities for minoritized people experiencing homelessness as part of its 2023-2025 Strategic Plan implementation.

The BoS CoC is seeking a consultant to assist the IN BoS CoC Board in becoming a leader in addressing racial and other inequities in the homeless response system and amplifying voices of people with lived expertise to improve processes and the system as a whole. The consultant should be prepared to undertake the following activities when the contract commences:

- Guide the IN BoS CoC board on codifying policies and procedures that support diversity, equity, and inclusion (DEI), and determine key performance indicators (KPIs);
- Provide rollout strategies, toolkits, and guidance to Network; and
- Assess diversity throughout Network providers and leaders by collecting and analyzing DEI data.
