Dear Mr. Hannon:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 22-03b Tribal TIP to be incorporated into the 2022-2026 Statewide Transportation Improvement Program (STIP). Any projects and/or phases of projects added in years outside of 2022-2025 are considered illustrative, and thus ineligible for federal funding at this time.

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Sincerely,
