Michael Smith, Commissioner
Indiana Department of Transportation
100 North Senate Avenue Room N758
Indianapolis, Indiana 46204-2249

Dear Commissioner Smith:

This letter serves as the Federal Highway Administration (FHWA) Indiana Division Office's CY2022 consistency determination, which is an evaluation of whether the Indiana Department of Transportation (INDOT) has developed and implemented a Transportation Asset Management Plan (TAMP) that is consistent with the requirements established by 23 U.S.C. 119 and 23 CFR part 515.

The INDOT's most recent TAMP and its implementation documentation dated June 23, 2022, were received by the Division Office on June 24, 2022. Based on the most recent TAMP, as well as the documentation submitted to demonstrate implementation of the TAMP, the FHWA has determined **your TAMP complied with the minimum requirements set forth in 23 CFR 515.13(b)**. Therefore, INDOT's TAMP has met the following minimum requirements:

1. Was developed with FHWA-certified TAMP processes;
2. Includes the required TAMP content; and,
3. Is consistent with other applicable requirements in 23 U.S.C 119 and 23 CFR Part 515.

We would like to commend you and your staff for the broad participation in development and implementation of the TAMP, a risk-based asset management plan, in accordance with 23 U.S.C. 119, to achieve and sustain a state of good repair over the life cycle of the assets, and to improve or preserve the condition of the National Highway System. Should you have any questions, please contact Tymli Frierson, Performance Management Team Leader, at (317) 223-2340 or at Tymli.Frierson@dot.gov.

Sincerely,

Jermaine R. Hannon
Division Administrator
