## Airport Development Grant Application for Airport Operations Monitoring Equipment

The INDOT-Office of Aviation is making available a grant program to help cover associated costs incurred while performing airport traffic monitoring. This grant will be available to all airports currently included in the Indiana State Aviation System Plan (ISASP). This reimbursable grant will cover 100% of project costs up to \$6,000. The grantee then agrees to maintain an approved counting program at their facility for a minimum of 5 years once grant is accepted.
