Re: FY2014-2017 Indiana Transit STIP Amendment #14, dated April 4, 2014
FY2014-2017 Indiana Transit STIP Amendment #15, dated April 11, 2014

Dear Mr. Buckel:

We have reviewed the State Transportation Improvement Program (STIP) amendment requests you submitted via correspondence dated April 4 and 11, 2014. The requests add projects pursuant to changes made to the Transportation Improvement Programs (TIPs) for the Indianapolis Metropolitan Planning Organization and Madison County Council of Governments.

The amended TIPs have been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). The projects listed in the attached STIP amendment table (Attachment 1) are eligible for FTA funding.

We have determined that the amendments to the TIPs and STIP are financially constrained and consistent with the relevant MPO and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2014-2017 STIP.

If you have any questions concerning this STIP amendment approval, please contact Reginald Arkell at (312) 886-3704. Thank you.

Sincerely,

Marisol R. Simón
Regional Administrator

RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Transit Amendment #14

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP amendment which must be approved and included into the FY 2014 State Transportation Improvement Program. We will reflect by reference the 2014-2017 federal aid projects covered by this approval in our 2014 - 2017 STIP. The Administrative Amendment is for the Indianapolis MPO. The Administrative Amendment was approved on March 31, 2014 by the Indianapolis MPO.

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

RE: Approval of Administrative Amendment to the 2014 - 2017 Indianapolis TIP

Dear Larry,

This is to inform you of the approval of an administrative amendment to the 2014 - 2017 Indianapolis TIP. The MPO concluded that the amendment is air quality exempt, per 40 CFR 93.126 & 127, and there is no need to update the conformity analysis or issue a new conformity finding. The Air Quality Consultation Group has been provided a copy of this amendment for informational purposes. The amendment is listed below:

- IndyGo DES #1172657

A hard copy of this notice will not be sent. The revised 2014-2017 IRTIP is available through the MiTIP Public Access Portal on the MPO's website. Should you have any questions or comments please contact Kristyn Campbell at 327-5137.

Sincerely,
