RE: FY2012 - FY2015 State Transportation Improvement Program (STIP) Transit Amendment # 7

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP amendment which must be approved and included into the FY 2012 State Transportation Improvement Program. We will reflect by reference the 2012 – 2015 federal aid projects covered by this approval in our 2012 - 2015 STIP. The amendment is for the Tippecanoe County Area Plan Commission (Lafayette MPO). The resolution number for the Lafayette amendment is T-11-08. The projects are to be added to the STIP are as follows:

MPO	Project Description	DES #	Federal	Section
Lafayette	Operating Assistance (New Freedom) Expand Travel Training	1173583	\$35,450	5317
Lafayette	Operating Assistance – (JARC) Service to IU Clarian & 4 routes	1173582	\$185,737	5316
Lafayette	Operating Assistance (JARC) Extended Service to Veterans Memorial	1173581	\$346,103	5316

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,
