

**I-69 EVANSVILLE TO INDIANAPOLIS STUDY
Tier 1 Environmental Impact Statement**

Preferred Alternative 3c Page 15 of 20

Bernardin, Lochmueller & Associates, Inc.
UTM 16, NAD83, meters
DATE: 2003 v.1201

Note: GIS data used to create this map are from the best known sources existing at this time. However, experience shows that many national datasets such as cemeteries, churches, airports, schools, karst, etc. are not all inclusive. Some national datasets are created on a much smaller scale than that mapped here and as a result have positional inaccuracies. Use of this map should be limited to planning, but should not replace field review or background checks with other sources.

Comments:

COVERAGE: Along SR 37 from Arlington (Bloomington) to Dittmore Rd.
CITIES/TOWNS: Arlington, Lancaster Park, Wayport (Monroe County)
STREAM CROSSINGS: Stout Creek (longitudinal encroachment), Griffy Creek, Beanblossom Creek
