

INDIANA DEPARTMENT OF TRANSPORTATION

Condemnation Expectations of INDOT

1. Support and encourage local agencies in their efforts to develop and implement sustainable plans for their futures.
2. Finish implementing RED training library, upgrade our web page for user friendly interface, and add process education content to support districts and consultants.
3. Deliver the Next Level Roads plan to improve pavement and bridge quality, safety and mobility. Projects Certified without exceptions 75-85% of the time.
4. Strategic Project Expedited Delivery Team implementing use of new tools for expediting real estate possession by getting ACH payments to county clerks, use of the new spread sheets in updating Project Managers.
5. Possession obtained on parcels in condemnation within an average of 180 days.
6. Audit data on a regular basis to ensure data integrity and quality.
