

IPSC RADIO INFORMATION UPDATE FORM

If you are a vendor, please communicate the following to the customer.

- Please allow five to seven business days to process your ID request.
- If you are requesting more than updates, please allow extra time to process your request.
- IPSC ID request(s) are processed on first in - first out basis.
- IPSC will investigate IDs for this agency that have "NOT BEEN USED" during the last 24 months.

You may submit this form via email (**you must save the form to your computer before emailing**), regular mail, or fax. Please be sure to attach/include needed documentation with this form)

IPSC Connection Center
 100 N.Senate Ave, N825, Indianapolis IN 46204
 Fax: 317.234.6514
 Email: icc@ipsc.in.gov

1. Name of the County where IPSC IDs are assigned

2. Name of the Agency where IPSC IDs are assigned

NOTE: If more than one agency is requesting IDs, please list each agency. Also note that the purchasing agency may or may not be the assigned agency.

3. P25 Trunking Proof. IPSC will issue/reassign ID(s) only if Proof of P25 Trunking Readiness is provided for **each IPSC ID request**. For Motorola, BK Technologies, Harris, and Tait radios, provide one of the following for **each IPSC ID request**: a) Radio Shipper document OR b) Code plug. For EF Johnson radios, provide the Serial Number for **each IPSC ID request**

Is P25 Trunking Readiness Proof (for each ID) included in this IPSC ID request?

YES

NO

4. Total number of of radio record updates needed

NOTE: Radios that are sold, traded, or scrapped MUST BE de-programmed prior to removal of the radio from the inventory.
