The following thirty-day filings have been submitted to the Commission. Each item was reviewed by the appropriate Commission Technical Divisions and all regulations were met in accordance with 170 IAC 1-6 Thirty-Day Administrative Filing Procedures and Guidelines. Therefore, the following filings listed below and attached hereto are recommended to be considered by the Commission at the next conference:

Attachment Number	30-Day Filing No.	Name of Utility Company	Type of Request	Date Received
1	50260	Ohio Valley Gas Corporation	To authorize OVG to amend their tariff relating to the return of non-residential customers' deposits and simplifying their practice for crediting interest on such deposits	3/26/2019

Submitted By: Jane Steinhauer

Director, Energy Division

Filing Party: Ohio Valley Gas Corporation and Ohio Valley Gas, Inc. (“OVG”)
30-Day Filing ID No.: 50260
Date Filed: March 26, 2019
Filed Pursuant To: 170 IAC 1-6

Request: OVG is requesting approval to amend their tariff relating to the return of non-residential customers’ deposits and simplifying their practice for crediting interest on said deposits.

The change requested allows OVG the flexibility, at its discretion, to return a non-residential customer’s deposit even while that customer remains a customer. This does not alter any requirements relating to the return of customer deposits for departing customers. It also allows OVG to automatically credit monthly interest earned on deposits rather than at customers’ request.

Customer Impact: OVG’s proposed changes impact non-residential customers return of deposits and earned interest on deposits.

Tariff Pages Affected: IURC Gas Service Tariff – Original Volume 10 of its General Rule and Regulations, First Amended Sheet No. 0-11.

Staff Recommendations: OVG has met all requirements for its request. Staff recommends approval of the modified language.
