NUNC PRO TUNC ORDER OF THE COMMISSION

**Presiding Officers:
Wesley R. Bennett, Commissioner
David E. Veleta, Commissioner
Greg S. Loyd, Administrative Law Judge**

On April 17, 2024, the Indiana Utility Regulatory Commission (“Commission”) issued its Order in this Cause (“Final Order”). The Commission revised Ordering Paragraph 3 of the Final Order through an April 24, 2024 Nunc Pro Tunc Order. Ordering Paragraph 3 in the Final Order and in the April 24, 2024 Tunc Pro Tunc Order incorrectly stated the amount of total operating revenues that Indianapolis Power & Light Company’s (“Petitioner”) rates and charges were to be designed to produce. This amount should have read \$1,642,636,000. To correct this error, the Commission now finds that the Final Order, as amended by the April 24, 2024 Nunc Pro Tunc Order, should be corrected Nunc Pro Tunc to replace Ordering Paragraph 3 with the following corrected Ordering Paragraph 3:

3. Petitioner is authorized to adjust and increase its rates and charges for electric utility service to produce an increase in total annual operating revenues of approximately \$71,037,000 in accordance with the findings above, which rates and charges shall be designed to produce total annual operating revenues of \$1,642,636,000, which are expected to produce an annual net operating income of \$235,972,000.

IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:

1. The original Ordering Paragraph 3 in the April 17, 2024 Final Order, as amended by the April 24, 2024 Nunc Pro Tunc Order, is replaced with the corrected Ordering Paragraph 3 above.

2. This Order shall be effective on and after the date of its approval.

BENNETT, FREEMAN, VELETA, AND ZIEGNER CONCUR; HUSTON ABSENT:

APPROVED: APR 30 2024

I hereby certify that the above is a true and correct copy of the Order as approved.
