# THE INDIANA VETERANS' HOME

LONG-TERM CARE • MEMORY CARE  
REHAB TO HOME • INDEPENDENT LIVING

After more than 120 years, we still gather together, grow together, and thrive together as service providers, as Americans, and as a community to ensure the well-being of our veterans.

Today, our resident base is made up of 100% honorably discharged soldiers and their spouses.

Welcome to a community  
that was built just  
for you, the veteran.

*We are stronger together.*

Exceptional medical professionals choose to practice medicine at IVH to honor and support our veterans and their families. In addition, many of our staff are veterans themselves.

Our dedicated staff make our care-driven services and programs so successful.

*Flourish in a community where you are valued.*

The Indiana Veterans' Home can provide long-term care, memory care, short-term rehab, and independent living. So whether a veteran needs some help recovering from surgery or whether they need more in-depth care, our medical team and skilled nursing staff are invested in healing the veteran.

*The possibilities for healing are everywhere.*

Veterans and spouses who are admitted have access to a variety of services and amenities during their stay. These include but are not limited to: specialist visits, an in-house pharmacy, resident gardens, certified art and music therapy. Our specialists make frequent visits to our campus for the comfort of our residents.

*Live where the opportunities are abundant.*

Residents can also enjoy year round events and programs. It's never too late to socialize and learn; strengthen current relationships and form new connections through our entertainment and leisure activities. Make dinner plans with friends, meet your neighbors at an event, and be treated by healthcare professionals devoted to you.
