Venue Rentals Available For:

- Ceremonies
- Weddings
- Receptions
- Funerals
- Memorials
- Banquets
- Parties
- Conferences
- Seminars
- Dances
- Art Exhibits
- Movie Showings

Pershing Auditorium is acoustically perfect and features Guastavino acoustical tile, a domed ceiling, and all original or period-accurate décor. The **26' x 14' stage** is ideal for wedding ceremonies, presentations, musical and dance performances, and movie showings. The auditorium has a **complete A/V system** which includes a 15' drop screen, HD projector, laptop connection, and audio system.

The auditorium **seats approximately 500 people**: 450 in the three-section floor seating, and 50 in the balcony. There are six entrances, including two backstage. The lower level has limited handicapped accessibility at the back on both sides. The auditorium is **accessible through the Grand Lobby** on the main floor of the War Memorial. Food and drink of any kind are not allowed.

The **Shrine Room** is the crown jewel of the Indiana War Memorial. The flag and Star of Destiny hang over the altar of consecration, which is not a tomb but a commemoration of the sacrifices made during World War I.

Measuring **60' square x 110' tall**, the Shrine Room is not included with All Interior Rental but can be left open for viewing during any event. The use of the Shrine Room as a rented venue is very limited based on the nature of the event, but has been used for small commemorative ceremonies, short and intimate weddings, and small memorials. Food and drink are strictly prohibited. Access is available off of the Grand Lobby via two large staircases and an elevator is available for those with limited mobility.

The **Grand Lobby** is a favorite venue for larger seated receptions and functions, comfortably holding a **maximum of 180 people**. Measuring **23' x 117'**, the Grand Lobby connects to Spruance Hall, Shoup Hall, Pershing Auditorium, and the West Hallway, and hosts the entrance to both stairways up to the Shrine Room. The only entrance to the building is the Grand Foyer, which leads straight into the Grand Lobby.

Because the Grand Lobby is wide open, it is not ideal for speaking engagements due to the echo. It is the perfect venue for a great after-hours reception or cocktail party. This room is great for your event's vendor setup, a buffet and seating area, or with high top cocktail tables for a more casual hors d'oeuvres and drink reception. Features include marble floors and dark green marble pillars throughout.

Shoup Hall is one of two mirror image meeting spaces available. Shoup is on the East side of the building and features an attached kitchen area that may be used for limited prep work. Measuring 24' x 55', Shoup Hall features three doorways and connects directly to the Grand Lobby and the West Foyer. Doors can be left open to allow flow into other areas of the building, or closed for a more private gathering.

Shoup Hall can accommodate up to 80 people with lecture-style seating and up to 120 people with reception-style seating. With an optional pull-down screen, portable projector, and limited A/V capabilities, Shoup Hall is perfect for receptions (with catering stationed in the West Foyer), meetings, reunions, parties, and exhibits.

Spruance Hall is the second of two mirror image meeting spaces available. Spruance is on the West side of the building but does not have an attached kitchen. Measuring **24' x 55'**, Spruance Hall features two doorways and connects directly to the Grand Lobby. Doors can be left open to allow flow into other areas of the building, or closed for a more private gathering.

Spruance Hall can accommodate up to 80 people with lecture-style seating and up to 120 people with reception-style seating. With an optional pull-down screen, portable projector, and limited A/V capabilities, Spruance Hall is perfect for smaller receptions, meetings, reunions, parties, and exhibits.

The **West Foyer** is a great add-on space that is included with any interior venue rental. Ideal for photo booths, catering stations, or additional **seating for up to 48 people** at long tables. The West Foyer is also a great space to put your bar and cocktail tables while retaining Shoup Hall for a seated dinner or meeting-style setup.

Due to the echo, the West Foyer is not recommended for speaking engagements or large gatherings. Features of the space include **white marble floors, walls, and pillars**, as well as placards and engravings detailing some of the history of the Indiana War Memorial. **Measuring 20' x 33'**, the West Foyer is a nice add-on, particularly when using Shoup Hall as both spaces flow directly into each other through one doorway.

The **Woodfill Boardroom** is located within the Indiana War Memorial administrative offices, but is a great small meeting space or ‘green room’ for other events. The conference table can seat 14 comfortably, and the room can accommodate an additional 16 chairs for a total of 30 seats. An optional pop-up screen and portable projector are also available for presentations.

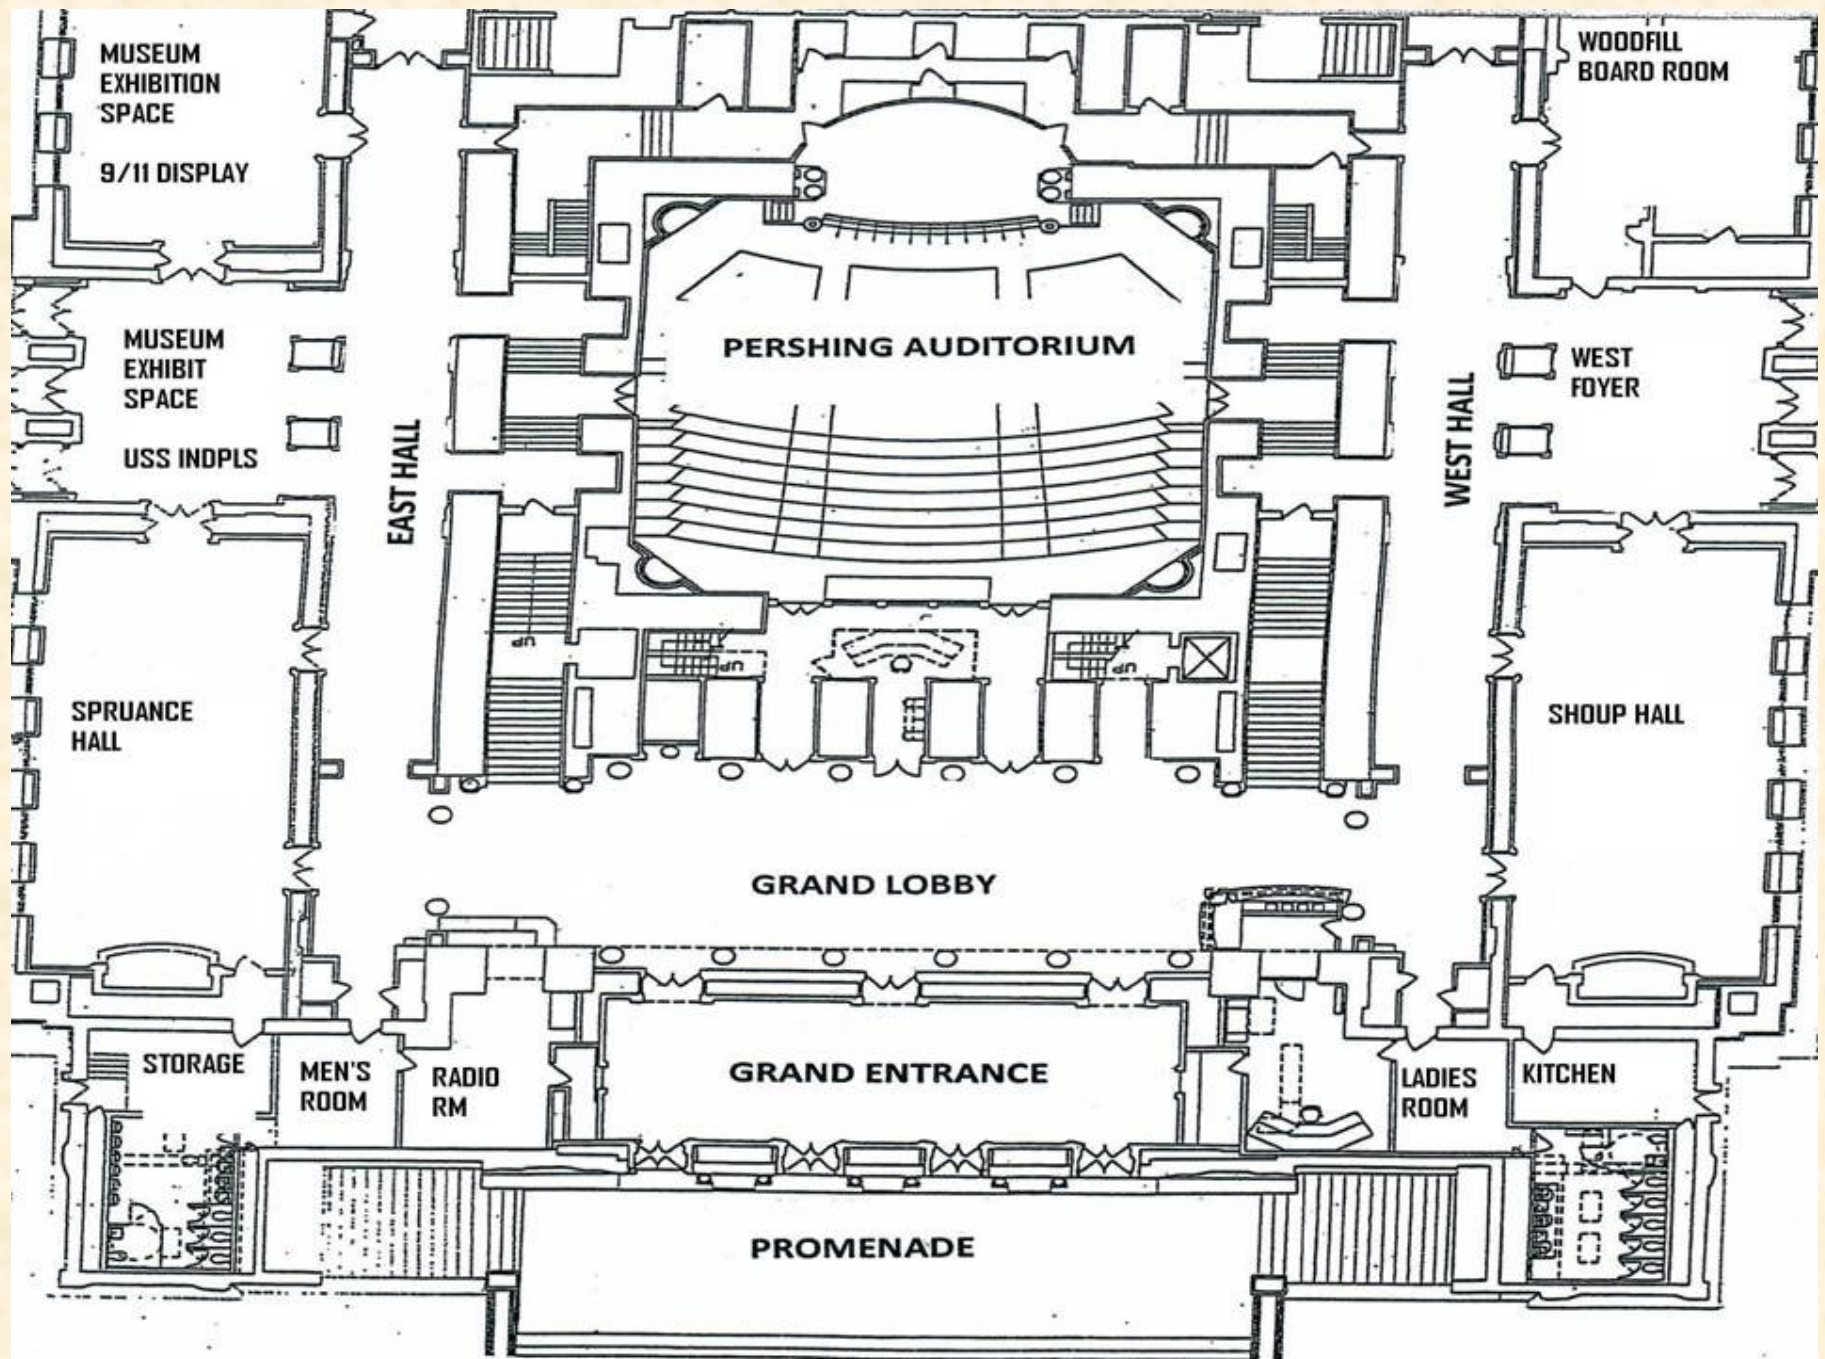

Additional Rental Features

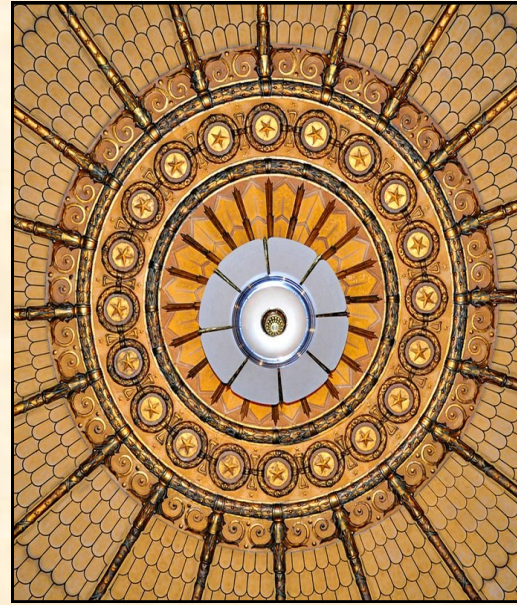

- All interior rentals include the optional use of the following:
 - 60” round tables (20 available)
 - 8ft long tables (20 available)
 - 180 white folding chairs
 - Shoup and Spruance each have 60 club style chairs available for use

***subject to availability based on other scheduled events*

- Linens are not included
- The Shrine Room and the Indiana War Memorial Museum may be left open for your group to enjoy
- A tour guide is available to help you more thoroughly enjoy the Shrine Room and Museum
