Howard County Utilities rate case: Consumer comments invited

If you would like to comment on Howard County Utilities' proposed sewer rate increase, you have the chance to do so.

The Indiana Office of Utility Consumer Counselor (OUCC), the state agency representing consumer interests in cases before the Indiana Utility Regulatory Commission (IURC), is reviewing the utility's request and is scheduled to file testimony on Nov. 21, 2019.

Along with its legal and technical review, the OUCC is inviting written consumer comments through Nov. 14, 2019.

Howard County Utilities is a privately owned entity providing sewage disposal service to 212 customers in the Green Acres Subdivision near Kokomo.

Under its request, the utility's flat, monthly residential sewer rate would rise from \$69.00 to \$153.92. The utility cites increases in operating and maintenance costs in its filing with the Commission. Current rates for Howard County Utilities were approved in 2008.

Howard County Utilities is seeking the rate increase through the state's Small Utility Filing Procedure, which is available to utilities with fewer than 8,000 customers and is designed to reduce the time and expense involved with regulatory filings. Savings are gained by allowing utility staff to use standardized forms resulting in utilities needing less assistance from rate consultants or attorneys.

The standard for OUCC and IURC reviews on small utility filings is the same that applies to traditional utility filings. The OUCC conducts its review on behalf of all utility consumers while the IURC's review is conducted on behalf of the public interest (a balancing of utility and customer interests). A settlement agreement is possible in any legal proceeding; such an agreement, if reached, would require IURC approval.

Consumers who wish to submit written comments for the case record may do so via the OUCC's website at www.in.gov/oucc/2361.htm, by email at uccinfo@oucc.IN.gov, or by mail at:

Comments should include the consumer's **name, mailing address**, and a reference to "**IURC Cause No. 45283-U**." Please do not include account numbers and other sensitive information. Consumers with questions about submitting written comments can contact the OUCC's consumer services staff toll-free at 1-888-441-2494.
