Marysville-Otisco-Nabb Water Rate Case: Public Comments Invited

If you want to comment on Marysville-Otisco-Nabb Water Corporation's proposed rate increase, you are invited to do so.

The Indiana Office of Utility Consumer Counselor (OUCC), the state agency representing consumer interests in cases before the Indiana Utility Regulatory Commission (IURC), is reviewing the utility's request and is scheduled to file testimony on Jan. 12, 2024.

While using its legal and technical resources to analyze the request, including examining the utility's books and operations, the OUCC is inviting written comments from customers through Jan. 5, 2024.

Marysville-Otisco-Nabb Water Corporation is a not-for-profit entity providing service to about 2,500 customers in Clark and Scott counties. Its current base rates received Commission approval in 2003. Rates have since been adjusted to account for changes in wholesale water costs.

According to the utility's testimony, the monthly residential rate for a customer using 5,000 gallons would increase from \$34.85 to \$57.12. Marysville-Otisco-Nabb is also seeking Commission authority to issue debt for approximately \$9.5 million in long-term projects. In its testimony, the utility states it is seeking the changes due to higher operating and maintenance costs, along with infrastructure improvements including a new water storage tank and new water main.

Consumers who wish to submit written comments for the case record may do so via the OUCC's website at www.in.gov/oucc/2361.htm, by email at uccinfo@oucc.IN.gov, or by mail at:
