

**ANNUAL REPORT OF THE INDIANA PUBLIC ACCESS COUNSELOR
To the Indiana General Assembly**

July 1, 2010 through June 30, 2011

Pursuant to Ind. Code § 5-14-4-12, the Indiana Public Access Counselor (“PAC”) hereby submits this annual report of activities for the time period covering July 1, 2010 through June 30, 2011.¹ This report is presented in three parts: in Part I a narrative summary of the activities of the PAC; in Part II the information required to be submitted pursuant to I.C. § 5-14-4-12; and in Part III appendices listing presentations given and advisory opinions issued in the past year.

**PART I
Annual Report Narrative**

Public Access Counselor and Staff

On July 1, 2007, Governor Daniels appointed Public Access Counselor Heather Willis Neal to a four-year term of office ending June 30, 2011. On August 21, 2009, Counselor Neal resigned to accept a position with the Indiana Department of Education. Subsequently, Governor Daniels appointed Andrew J. Kossack to serve as public access counselor for the balance of Counselor Neal’s term. Counselor Kossack took office on September 7, 2009. The PAC also employs one part-time legal assistant. Katie Williams, a graduate of the Indiana University School of Law - Bloomington, currently holds that position.

Advisory Opinions

From July 1, 2010 to June 30, 2011, the PAC issued 296 written advisory opinions in response to formal complaints. *See* I.C. 5-14-5 regarding the complaint process. Twenty-four (24) complaints were pending as of June 30, 2011. Pursuant to I.C. § 5-14-5-9, an advisory opinion must be issued within thirty days of receipt of a formal complaint. The deadline for priority complaints is seven days. I.C. § 5-14-5-10; 62 IAC 1. The PAC met the statutory requirement for timely issuance of advisory opinions. A detailed list of advisory opinions follows in Appendix B.

Informal Opinions

In addition to advisory opinions in response to formal complaints, the PAC issues written informal opinions in response to written informal inquiries. The PAC issued 52 informal opinions for the period July 1, 2010 to June 30, 2011.

Telephone and Electronic Mail Inquiries

From July 1, 2009 to June 30, 2010, the two PAC staff members received and responded to 1,589 inquiries via telephone and electronic mail.

¹ All data were compiled as of 4:00 p.m. on Wednesday, June 30, 2010.

Education and Presentations

The Public Access Counselor made eleven (18) educational presentations over the past year, which was an increase over the eleven (11) given in FY 2010. Appendix A contains a list of the presentations.

Handbook and Other Educational Materials

The *Public Access Handbook* was not revised in FY 2011 because no material amendments were made to the Access to Public Records Act (I.C. 5-14-3) or the Open Door Law (I.C. 5-14-1.5). The *Handbook* is a resource utilized by many public officials and the public at large, and the PAC receives many requests for the print version of the *Handbook*. The *Handbook* is posted on the PAC's website, www.IN.gov/pac, and the PAC encourages individuals and agencies to download it from the website at no charge. While there is still strong demand for a paper version of the *Handbook*, the PAC budget does not allow printing of bound copies of the *Handbook* (the PAC will, of course, print a copy pursuant to a request for access to records and charge the requester \$.10 per page for the copy).

In addition to the *Handbook*, the PAC has continued to create new resources and make those available via the PAC website. The Counselor also prepared slides and handouts for participants at the educational seminars to which the Counselor was invited. Because the PAC budget will not allow the PAC to provide copies of slides and handouts to attendees at all events (some of which number in the hundreds), the PAC generally asks the sponsoring organization to provide copies for attendees. The PAC makes copies of all slide presentations available via the PAC website.

Public Access Counselor Website

The Office of the Public Access Counselor maintains a website at www.in.gov/pac. The website contains more than 2,300 formal advisory opinions issued since 1998. In addition to the resources listed in previous paragraphs, the website contains select informal inquiry responses, upcoming and past presentations of the PAC, sample letters and meeting notices, frequently asked questions, and other resources.

Oversight Committee on Public Records

Pursuant to I.C. § 5-15-5.1-18, the Public Access Counselor serves as a member of the Oversight Committee on Public Records, the governing body for the Indiana Commission on Public Records.
