**Kylie Bright – EI Application**

Kylie Bright appeared before the board electronically to discuss her EI application. She discussed her application and requested clarification as to how her application is deficient. She is also requesting an extension on her application.

The board informed her that some of the courses she listed as “Engineering Topics” are not “engineering courses” offered by the Purdue College of Engineering and thus do not meet the requirements of applicable sections of 864 IAC identifying specific course information and requirements.

She is to submit a new supplemental form with course descriptions from Purdue and documentation from the Purdue College of Engineering stating that classes she proposes as meeting the board’s requirements for the three types of “Engineering Topics”, Engineering Sciences, Engineering Design and Additional Engineering Topics meet the requirements of the Purdue College of Engineering as “engineering topics”.

Motion made by Steve Gillman and seconded by Susan Zellers to table her application.

Motion carries 7/0/0

### **DISCUSSION ITEMS**

#### **1. Meeting Dates – 2021**

The new updated meeting dates schedule was sent out to the board members, which included the new boards that Group 10 has taken in. It was also discussed that a reminder of the meeting start time be sent out after the Webex meeting invitation was sent, as a reminder of the true start time of the meeting.

#### **2. NCEES Awards Discussion**

Sam Reed wanted to discuss the NCEES award process. He inquired about how active the previous members have been and their contributions to NCEES. Ned reviewed with the board what the duties of the board are and the parameters of the Board's jurisdiction. Ned will dig in deeper. Steve requested that Amy check in with NCEES to see how previous member's involvement stacks up with other award winners.

Discussion was brought up about the NCEES Regional meeting and the annual meeting.

Check to see if hearing notices can be modified to allow a set time for submission of any and all exhibits submitted.

Greg Morical requested clarification of the Engineering Intern application, and the work experience required for graduates of non-ABET programs. The board discussed the process of modifying the rules. The board wishes to continue this topic in future meetings and to consider if any changes to the rules are merited.

Meeting adjourned at 10:40 a.m.
