

Eric Holcomb, Governor
State of Indiana

Indiana Family and Social Services Administration
402 W. WASHINGTON STREET, P.O. BOX 7083
INDIANAPOLIS, IN 46207-7083

The Office of Drug Prevention, Treatment, and Enforcement in partnership with the Indiana Family and Social Services Administration - Division of Mental Health and Addiction and the Indiana Department of Health have collaborated to develop a plan for how the State of Indiana will spend the state portion of funds from the national opioid settlement with distributors McKesson, Cardinal Health and AmerisourceBergen and manufacturer Janssen Pharmaceuticals, Inc. and its parent company Johnson & Johnson.

[House Enrolled Act 1193](#), passed by the Indiana General Assembly and signed by Governor Eric J. Holcomb in March 2022, creates a 50/50 state and local split, and defines the intensity metrics for how much money each locality will receive. [Ind. Code §4-6-15-4](#) requires FSSA to submit a distribution plan for review to the State Budget Committee.

The Indiana Commission to Combat Substance Use Disorder has adopted the [Johns Hopkins Five Guiding Principles for the Use of Funds from the Opioid Litigation](#) to guide Indiana's spending of the national settlement. The principles are as follows:

1. Spend the money to save lives
2. Use evidence to guide spending
3. Invest in youth prevention
4. Focus on racial equity
5. Develop a fair and transparent process for deciding where to spend the funds.

The plan outlined below is the result of extensive discussion and considers the feedback of internal and external stakeholders representing all regions of the state. The plan was developed in conjunction with existing funding opportunities and is not the sole source of funding for our work. It is intended to complement existing funding streams available to the state (i.e., American Rescue Plan, Recovery Works, State Opioid Response, Overdose Data 2 Action, etc.).

Available funds for FY-2023:

2022 Payment 1: \$37,583,357.46

2023 Payment 2: \$6,724,825.68

Total: \$44,308,183.14

Available funds for FY-2024:

Total: \$8,332,591.41

Funding Plan:

Match Program

\$25,000,000

The Indiana Family and Social Services Administration – Division of Mental Health and Addiction (DMHA) in partnership with the Office of Governor Eric J. Holcomb will issue a Request for Funding (RFF), making available a one-time funding opportunity to local units of government to support evidence-based prevention, treatment, recovery, harm reduction,

behavioral health workforce, enforcement, jail treatment, recovery residences, and other services and initiatives in communities throughout the state. Applicants may apply for funding for any of the listed services and initiatives, however priority will be given to applicants who request funds for harm reduction, jail treatment, and recovery residences.

This grant program aims to promote innovative, collaborative, community-driven, cross-sector responses to substance use disorder issues. All applicants must provide matching funds. Matching funds may come from any source, including local distributions from the National Opioid Settlement, Federal ARPP Funds, local general funds, private contributions, or philanthropy dollars. Use of state-issued grants (i.e., Community Catalyst, Accelerator, Community Coordination, etc.) is not permitted for match funds.

Understanding that not every community will receive enough money via the settlement to have a maximum impact, local subdivisions are encouraged to pool together funding and regionalize their efforts. State awards may be greater than or less than the applicant's requested amount or match amount. Final proposals will be judged on the totality of responses.

Treatment	\$3,500,000
Adolescent Residential Infrastructure	
Jail Treatment and Recovery Supports	
ATLAS – Treatment Locator	
Prevention	\$4,000,000
At-risk	
School Based
